Dr. J. Walker's California Vinegar Bitte: S are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevadamountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Vinegam Bitters?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and z life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Vinegam Bitters in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tohic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bitious Diseases.

If men will enjoy good health, let them use Vinegam Bitters as a medicine, and assoid the sea of shaddeling stimulation. Dr. J. Walker's California Vinegar

In their treatment, a purgative, exerting a powerful influence upon these various origans, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walkers Vinegas Birrwes, as they will speedily remove the dark-colored viscid matter with which the bowels are localed, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.
