HOW GIRLS MAY AVOID PERIODIC PAINS

The Experience of Two Girls Here Related For The Benefit of Others.

Rochester, N. Y.—"I have a daughter 13 years old who has always been very healthy until recently when she complained of dizziness and cramps every month, so bad that I would have to keep her home from school and put her to bed to get relief.

"After giving her only two bottles of Lydia E. Pinkham's Vegetable Compound she is now enjoying the best of health. I cannot praise your Compound too highly. I want every good mother to read what your medicine has done for my child."

Stoutsville, Ohio.—"I suffered from headaches, backache and was very irregular. A friend advised me to take Lydia E. Pinkham's Vegetable Compound, and before I had taken the whole of two bottles I found relief. I am only sixteen years old, but I have better health than for two or three years.

Hundreds of such letters from mothers expressing their gratitude for what Lydia E. Pinkham's Vegetable Compound has accomplished for their daughters have been received by the Lydia E. Pinkham Medicine Company, Lynn, Mass.

Senator Swanson of Virginia says that underserving men often receive government jobs.

Their attitude is like that of old Uncle Sam, who has been seen for several days patiently sitting on the bank of the Rappahannock river, near the dam, holding his shotgun in his hand.

"Well, Uncle Sam, are you looking for something to do?"

"No, sah," answered Sam. "It's git-ting paid for what I doin'."

"Indeed!" said the other. "And what may that be?"

"Shootin' de muskrats dat am underminin' de dam," answered Sam.

"I want you to lose ma job, sah?" answered Sam complacently.

The Order Not Complete. "A story comes from a town where firms advertise to sell fish direct to small purchasers. The glowing advertisements asked for the sending of half a dollar with a list of the varieties of fish preferred. One letter read:

"I want two salmon, a dozen whiting, a dozen fresh herrings, some founders, and, if you have them, you can add a lobster."

The next day the lady received a letter which ran:

GIVEN FOUR YEARS

Toronto Bank Clerk Pleads Guilty to Big Thefts.

RACE SHARK ROBBED HIM

Arthur Richmond Was the Victim of a Well-Known Crook, Declares Counsel Robinette at the Trial of the Young Man Who Lost \$26,089.73 of Bank of Toronto's Money in Two Weeks' Gambling.

Toronto, Oct. 1.—Arthur R. Richmond pleaded guilty in the sessions yesterday to the theft of \$26,089.73 from the Bank of Toronto, and was sentenced to four years in Kingston Penitentiary by Judge Dunsen.

"This young man is the victim of a well-known race shark," declared Mr. T. C. Robinette, in pleading for mercy on Richmond's behalf. "This man is well known to track followers in all the large cities. He got this young man out to dinner, and the aid of two fake jockeys, and some fake telegrams from supposed horse owners, inveigled him into stealing this money to play on 'sure things' of course, he lost, and he now pleads guilty to the theft."

Richmond, 27 years of age, and the son of a Gaspe-clipperman. He is a well-educated young man, having spent five years in Bishop's College at Lennoxville, Que. He first went into the Bank of Toronto's service in Montreal, later at Hastings, Ont., and finally came to the Elm street branch in Toronto, where the theft occurred.

All the money appropriated by Richmond was taken outside of a period covering two weeks, and it all went "on the ponies." "He hasn't one cent of money left at the present time. He hasn't a dollar in the world," declared his counsel. "He has told me that after serving sentence, he will go west and make a new name for himself."

MORE MONEY NEEDED. Methodist Mor. I Reform Board to Make Extra Call.

Toronto, Oct. 1.—Thirty thousand dollars a year is the amount of the campaign fund required by the Methodist Moral Reform Board, with its full staff of a general secretary, three field secretaries and office staff. This is equivalent to \$106 for six days every month.

The new field secretaries will have their divisional headquarters. The western one will be located at Winnipeg or Vancouver; it is not decided definitely at which city.

Another will be at a city in the Maritime Provinces, and one at St. Johns, Newfoundland.

A private meeting of the Moral Reform Board was held yesterday to consider the proposed plan. The western secretary was given the honor of preparing a plan of campaign to secure a more aggressive administration of the police morality department.

A conference with the police commissioners by the officials' representatives of the board render such action necessary.

HOT ON THE TRAIL. Chicago Business Men Have Stolen Money, Say the Police.

Chicago, Oct. 1.—Information that \$170,000 of the money stolen from the Bank of Montreal at New Westminster may be now in possession of two men, one a well-known business man here, was given Assistant Chief Schuetz by Jeanette Little. She is the reputed wife of Jim Stacey, under arrest in St. Louis in connection with the robbery. She said the two had the money, or at least had knowledge of where it is. The identity of the business man is kept secret by the police.

The second man implicated by the woman is said to have a criminal record. The police are searching for both. The business man is reported to have disappeared after the search for the bank robber became hot. Detectives say that the woman has only begun her revelation and that through her they may round up the entire gang.

Tighten Grip on Stacey. St. Louis, Oct. 1.—To prevent the possible release of James W. Stacey, alias Frank West, alias "Doc" Danzell, on a writ of habeas corpus, the police here yesterday applied for a fugitive warrant charging the man wanted in connection with the \$271,000 Canadian bank robbery case with attacking Police Lieut. B. J. Burns in Chicago two weeks ago.

The discovery of a memorandum book in the room formerly occupied by the suspect, and Jeanette Little, the woman arrested at Edwardsville, Ill., will aid, it is believed, in capturing other members of the gang.

Hospitals Must Register. Toronto, Oct. 1.—A fine of \$25 per day will be the penalty imposed on all private hospitals in the province which have not applications for licenses in the hands of the Provincial Secretary, Hon. W. J. Hanna, by tonight. Under the new hospital act passed at the last session of the Legislature, which comes into force today, applications from each private hospital for a license must contain statutory declarations of every detail in connection with the institution, such as financial condition, number of patients, fire protection and so forth.

Keeping Ponds Clean. Copper sulphate is often used for destroying the scum-like weeds in ponds. But precautions must be taken, for unless the right proportion of sulphate is used any fish which may be in the pond will be injured. The proportion of copper sulphate used in the ponds at Kew Gardens, London, England, is one part to 750,000 parts of water. Sulphate of copper in a pulverized state is placed in a porous bag and dragged through the water until dissolved. The water in St. James' Park, London, it might be mentioned, has for two summers been kept free from scum by this method.

Landlord and Tenants. Visitor (at poorhouse)—Where did that fine-looking pauper come from? Superintendent—The city. He owns the St. Fashion flats. "My goodness! Why is he here?" "He charges such high rent that they have been empty since the second year."

"Yes; they are the people who were his tenants the first year."

To Keep From Growing Old. A swindling firm once advertised that it would send for the sum of 60 cents a recipe which, if followed to the letter, would keep folks from growing old. Some credulous persons answered the advertisement, remitting the required fee, and received the following reply:

"We would advise all such idiots as you to commit suicide at about the age of twenty-five."

Liberty Was Brisk. Guelph, Sept. 27.—Grant and McGillivray, the two young men who escaped from the provincial farm a few days ago, and were captured at Ayr, appeared before Magistrate Saunders yesterday afternoon. Both pleaded to escaping and also to stealing goods. They were sentenced to two years, less one day, each, for the first offence, and six months for the latter.

McGillivray was to have been before the parole board on Saturday and would likely have been released in a few days.

Liverpool Wheat Futures Close Higher, Chicago Lower—Live Stock—Latest Quotations.

Corn finished 1/4c to 1/4c off to a rise of 1/4c to 1/4c, oats 1/4c to 1/4c down and provisions straggling from 1/4c loss to a gain of 1/4c.

The Liverpool market closed yesterday 1/4c higher on wheat, and 1/4c higher on corn. Buda-Pest wheat closed 1/4c higher.

Montreal Grain and Produce. MONTREAL, Sept. 30.—There was a good enquiry for the continent for Manitoba spring wheat for the week ending Sept. 23. The demand from the United Kingdom was poor. A good business continues to be done in sales of Duluth No. 3 white wheat made at 50c, excelsior. A few cars of Ontario wheat are coming forward, which are poor in quality and some heated. Manitoba wheat is fairly active for local account, but the foreign demand is poor. A good business is doing in mill feed at firm prices. Butter is firm under a fair demand.

Montreal Live Stock. MONTREAL, Sept. 30.—At the Montreal Stock Yards West End Market, the receipts of live stock for the week ending Sept. 23 were 2300 cattle, 4800 sheep and lambs, 3000 hogs and 700 calves. The offerings on the market this morning were 1700 cattle, 4600 sheep and lambs, 1800 hogs and 600 calves.

Owing to the continued limited supply of choice steers coming forward the tone of the market for such was firm and sales of a couple of full loads were made on Saturday to local dealers at 47 1/2c, which in a jobbing way they asked as high as 47.50 this morning, and for which buyers refused to bid. The price of 47c realized was \$12.25, while 1/2c of \$7 were refused.

The supply of other grades of cattle was larger than it has been for some time past and in consequence the tone of the market for such was weak and prices rolled fully 25c per cwt. lower than this day week. Even at this reduction some buyers were disposed to hold off, but on the whole the demand was fairly good, owing to the very cool weather for this time of year. In addition to the buying for local requirements several carloads were bought for shipment to Quebec and other outside points, consequently the trade on the whole was fairly active and a good clearance was made by noon. The demand from canners was good and a fair trade was done at a small decline.

A weaker feeling developed in the market for sheep and lambs, owing to the fact that the supply was larger than it was a few days ago, and in consequence the tone of the market was weak and prices rolled fully 25c per cwt. lower than this day week. Even at this reduction the demand from packers and butchers was good for supplies, as they are all now putting them away for winter requirements and in consequence an active trade was done, with sales of Ontario lambs at \$7.75 to \$8.00 and Quebec stock at \$5.25 to \$5.50 per cwt., while ewe sheep sold at \$3.50 to \$3.75, and bucks and culs at \$2 to \$2.25 per cwt. The demand for milk-fed calves was good, of which the supply was small and sales were made at \$7 to \$7.50 per cwt., while grass calves sold at \$5 to \$5.50.

Owing to the increased supplies of hogs coming forward and the lower prices ruling in the Toronto market at the latter end of last week a weak feeling of such tones to prevail in the local market and prices showed a further decline of 20c to 25c per cwt. since last Wednesday, but at the lower range of prices the demand from packers was good and a brisk trade was done with sales of selected lots at \$3.50 to \$3.75 per cwt., weighed off the cars, and the prospects were that sales would go still lower.

Butchers' cattle choice, \$7 to \$7.25; medium, \$4.75 to \$5.25; common, \$4 to \$4.50; canners, \$2.50 to \$2.75; choice cows, \$2.25 to \$2.50; medium, \$1.50 to \$2; bulls, \$2 to \$2.50; milkers, choice, each, \$60 to \$70; common and medium, each, \$40 to \$50; springers, \$20 to \$25.

Sheep—Ewes, \$3.50 to \$3.75; bucks and culs, \$2 to \$2.25; lambs, \$2.25 to \$4. Hogs—F.o.b., \$5.50 to \$5.75. Calves—\$3 to \$4.

East Buffalo Cattle Market. EAST BUFFALO, Sept. 30.—Cattle—Receipts, 6500, slow, 15c to 25c lower; prime steers, \$9 to \$9.50; butchers, \$6 to \$6.25; bulls, \$4 to \$5; stock heifers, \$4 to \$4.50; shipping, \$7.50 to \$8.25; heifers, \$4.75 to \$5.25; cows, \$2.50 to \$3.25; stockers and feeders, \$4.50 to \$5.50; yearlings, \$3.50 to \$4.50; springers, active and strong, \$3 to \$7.50. Hogs—Receipts, 15,300; fairly active and steady; heavy, \$5.75 to \$5.85; mixed, \$5.50 to \$6; porkers, \$5.25 to \$5; pigs, \$7.50 to \$8; rough, \$7.50 to \$7.60; stags, \$5 to \$7; dairies, \$5.50 to \$5.50; grassers, \$5.50 to \$5.50.

Sheep and Lambs—Receipts, 20,000; active sheep, steady; lambs, 200 higher, \$7.50 to \$8.50; yearlings, \$7.50 to \$7.75; wethers, \$4.75 to \$5; ewes, \$2 to \$4; sheep, mixed, \$3 to \$3.50.

Cheese Markets. CANTON, N. Y., Sept. 30.—There were 2500 boxes cheese sold at 16c; 400 tubs butter, \$3 1/2c. Sept. 30.—The heavy rains have had their effect on dairy products. Another advance being made in cheese and butter prices by the U.S. Dairy Board of today. The sales were 5000 boxes of run-colored and 2000 white cheese, at 15c; 100 tubs of butter sold at 15c.
