## MR. M'INNES'S POSITION.

The Colonist trembles lest W. W. B. porters of the McBride government of Liberals in daring to aspire to where practicable, parcelling them into McInnes be called to the premiership rage so fiercely against Mr. W. W. B. office. The ambitious fellows were small holdings as part of immigration of British Columbia. We can assure McInnes. According to their own told that, not having the "instinct of policy; repeal of school law and return our timid contemporary that it is statements the ex-Commissioner is a government," it was highly improper to a system of state education; revision of the terms of placer and dredg-Innes, some time next month, will be- political gamester, a carpet-bagger, or ever trust them with the task of adcome a member of the government of some such undesirable character; they ministering affairs. They said that of inadvertent forfeiture; no alliance with Hon. J. A. Macdonald. If in the course say his presence has weakened the the present Liberal government of those revolutionists who would destroy of human events the minister should cause of the opposition, and yet they Canada—and behold what has taken our system of government and hauf be called to the post of First Minister, rail at him, overhaul his record, and place since it came into power. The down our flag, but, on the contrary, cowhich is not at all unlikely when one ask what business he has to throw up whole country has taken on new life, operation with the great body of labor considers the mutability of mundane bis very desirable billet and "but in" population has rapidly increased and which would reform abuses in a conaffairs and the fact that Mr. McInnes against the McBride government's the wealth of the nation has grown stitutional way." has not yet reached the prime of life, overpoweringly strong candidates. Now in a much greater ratio than the we do not know that there would be if Mr. McInnes is strengthening the population. any cause for misgiving. As Commissioner of the Yukon Mr. McInnes has mere fact of his being in the given the most complete satisfaction fight, surely the best thing Bride should be discarded at this time Reeve Oliver of Oak Bay municipality not only to the government which ap- from a ministerial point of view and Premier Macdonald installed in his on his election by acclamation for pointed him, but to the people on whose behalf he was appointed. He was a plish his own undoing and that of the minister in the government of Colonel Prior, and if the Colonist had any reavent of British Columbia's popular and pointed him, but to the people on whose bounded him, but to the people on whose place. We are asked if Mr. Macdonald second term, when the thought occurred to us that it was Oak Bay muniformly and that of the last could administer affairs in any better could administer affairs in any better when the ministers meaning the country of the last could administer affairs in any better could administer affairs in any better when the ministers meaning the country of the last could administer affairs in any better could administer a Prior, and if the Colonist had any reason to criticise his actions when he occupied that post, it very discreetly suppressed its disposition to point out any administrative shortcomings. Therefore when all the facts are considered we believe the electors will reach the conclusion that the opposition press is neither frank nor candid in its attitude towards Mr. McInnes. Perhaps

vent of British Columbia's popular and cloquent young public man has carried dismay into the ranks of the government has carried dismay into the ranks of the government forces. They realized before the fight began that they were going to have a difficult task in keeping their heads above water weighed down as they were by a record, acquired in three short years, that would sink any government that was ever formed in three short years, that would sink any government that was ever formed in the colonist had any reason to criticise his actions when he occupied that post, it very discreetly suppressed its disposition to point out any pressed its disposition to point out any administer affairs in any better manner than the ministers, meaning, we presume, any better than Premier McBride or Finance Minister Tatlow or Chief Commissioner Green, because no one has ever heard of anything the other members of the government have done. We believe a Liberal government have done. We believe a Liberal government in the colonist save in any better than Premier McBride or Finance Minister Tatlow or Chief Commissioner Green, because no one has ever heard of anything the other members of the government have done. We believe a Liberal g tude towards Mr. McInnes. Perhaps it is just a triffe disturbed in mind any free country. The popularity of with regard to the determination of the with regard to the ex-Commissioner of the Yukon to respeaker, the fame he has gained as an the majority of the people of British ery up and in motion, seeing that the will not. It will help to turn the goventer public life in Britih Columbia, administrator in the Yukon, the This determination has had a demor- strength he has brought to the opposi-

### TWO REEVES.

We were just going to congratulate Columbia think about that either. wheels shall go round with the mini- erament out of power. The one conspicuous act in the career | mum amount of friction and the maxialliance with the Socialists, was the conduct of the case of British Columbia before the conference of premiers at Ottawa. Consider the farce he made of that matter, because he could think of nothing else but the possibility of an opportunity of raising an election cry that he hoped would obscure all the misdeeds of his government. He has placed himself in a position from which it is impossible to proceed further with negotiations except through an appeal to the Imperial authorities—and that he has not now the impudence to suggest such a thing. If British Columbia's claim to better terms is to such as the conduct of the case of British Columbia's claim to better terms is to such as the conduct of the case of British Columbia's claim to better terms is to succeed—and there is no doubt it will. ceed-and there is no doubt it will compensation than the consciousness

succeed inasmuch as its validity has of duty conscientiously discharged. been admitted by the Dominion gov- And while we are dealing with the other hands. That in itself is good and services conscientiously and efficiently sufficient reason why McBride should performed, we are surprised to see that be seen at his office. Very substantial and convincing rea- decided to oppose the election of Reeve sons can be shown why Finance Minis- Brydon. Do they really believe they ister. The manner in which the Minister placed himself and the province in the hands of the money-lenders has merely to be briefly considered to establish the necessity for a change. The Finance Minister borrowed a million

We are not speaking without anoward edge, because the Reeve of Saanich has served in Victoria, and he might have every day. Polson's Nerviline does prevent illness, it does ease pain and inflammation, and by being handy will save worry and keep down the doctor bills. Large bottles sold for a quarter at all dealers.

Ottawa, Jan. 17.—In the House to-day W. F. Cockshutt asked if the government intended to take any action in month with advancement, steady employment, must be honest and reliable to that thousands of bottles are used day W. F. Cockshutt asked if the government intended to take any action in month with advancement, steady employment, must be honest and reliable to the Kingston, Jamaica, disaster, and the Premier replied that the matter was engaging the attention of the government.

#### ELECTION REFLECTIONS.

Should Richard McBride unfor tunately be returned for both Dewdney and Victoria would he elect to represent the Capital City, the main land constituency, or would he, as of old, represent nobody but Richard Mc-Bride and his friends?

Remembering the stand that the on the fish trap question he certainly deserves recognition in Victoria, Isn't it rather a wonder that he should be opposed even by Liberals?

The Conservatives are looking decidedly blue now that Green is to be

It is quite a common thing for the Conservatives to throw dust into the eyes of the electors. This time, however, it is K. N., which is too hot even stand without blinking.

Everyone, even his opponents, will be sorry for Mr. Pooley on election day. He has only himself to blame.

And Piercy will be there, too.

One of the principal attributes of a statesman is that he is able to attract to his councils men of wisdom and ability. The array of talent surmounted by King Cotton, which grouped around Dewdney Dick does not speak well for the magnetic influence of the leader.

The Conservatives have had their Macdonald: another has arise
