FARMAN'S GREAT

MADE CIRCUIT FLIGHT OVER TWO KILOMETRES

Achievement of Englishman Marks Epoch in Conquest of the Air.

Paris, March 21.-Henry Farman, the English aeronaut, yesterday eclipsed all previous records for aeroplane flying by making a circuit flight with his machine of over two kilometers (a kilometre is about three quarters of a

The machine mounted to a consid erable height and Mr. Farman turned and swerved it with the greatest dar-ing to show that the machine was un-Manitoba, der perfect control. The spectators gave the aeronaut an ovation when he

Mr. Farman on Jan. 11th last at Iss twice completed a one-kilometre circl with his aeroplane in an endeavor to win the Dutch Archdeacon prize of \$30,000 which was offered for a heav-ler than air machine making a circle kilometre. The record was not allowed, however, owing to the fact that the committee having supervision over

the award was not present.

Two days later, however, Mr. Far man described a circular kilometre with his machine in one minute and twenty-eight seconds in the presence of an official of the Aero Club, and was awarded the prize. Aeronauts at that time considered the achievement the "heavier than air" machine of Mr. Farman, the greatest since Santos Dumont circumnavigated the Eiffel tower in a dirigible baloon.

MURDER BY NIGHT RIDERS. Tobacco Farmer Shot Dead by Masked Men in Kentucky.

Carlisle, Ky., March 21.-A band of 'night riders" early to-day shot and killed Harland Hedges, an independent co farmer, seven miles northwest

This is the first murder by "night riders" in the blue grass region of Kentucky. The masked men rode away after killing Hedges.

> REFUSE TO GO TO SEA IN DEATH SHIP

Sailors Claim That Dynamite Carrier Kiora is Floating Mine.

Philadelphia, Pa., March 21.-Fifteen members of the crew of the British steamship Kiora, loading dynamite at Thompson's Point, N. J., for the construction department of the Panama canal, left the vessel yesterday and no smount of persuasion could induce them to return to duty. They claimed the Kiora is a floating mine and that going to sea with such dangerous cargo meant death if any accident should occur to the craft.

Captain Jose, the master of the Kiora could not secure a writ to prosecute the men for desertion. Fifteen new men were shipped in their places.
