Five Minutes' Work.

BY MRS. FRANCES D. GAGE. "Here, Lizzie, I wish you would put

a few stitches into my coat; it's so "It's so Frank; but really I think you had best take it to the tailor." "Take it to a tailor! By George!

but that's a huge idea. Why, there's not five mintes' work to be done, and the tailor would charge a dollar." "I suppose he would, but I don't see how I can do it to-day. Walter is

very fretful, and you know he kept me I dont generally work that many. But awake nearly all night." "Little imp! It does not seem to me there ever was so cross a young one. and wife. We expect to live the rest of

mend my coat, anyhow." 1 will try and find time." him good-strengthen his lungs."

going to make a fuss. But it's a long job, and one I am not used to; and with my dinner to see yet, how I can get it done. But I'll do my best."

Such was the conversation that passed between a young husband and a wife any circumstances to be set aside. of eighteen months standing.

Frank Burton was what the world calls a real driver. He made anything that went through his hands insure to his own benefit. Everybody liked him be my own judge of what work I had because he was so frank, and withal so honest and upright in all his dealings with his customers. He was well educated for a business man; lived in society; had made up his mind that he could sat silent. support a wife, and, according to his eckoning, save something to boot. Yes, to be sure he could. There were want to hear you talk about supporting six dollars a week for board, one dollar your wife. I am not to be supported a week for washing, and then quarters and dimes innumerable for taking his find on looking over my books, that the lady acqaintances to ride, to the theatre, profits of my labour amount to five to ice cream saloons, balls, operas, etc.

cast up his yearly account, "that's huge; I do all your extra work and my own, enough to break a fellow; a thousand a | all this saving has gone into your capital year; it won't do; I'll marry and settle to be invested, and to help you make

his wife; and he was soon in possession. of your day's work, while I must labor

work of supporting a wife began in an old coat, which when done, would earnest. The five rooms cost two hun- not sell for the amount of your ten hour's dred dollars a year, and were prettily work." furnished. Lizzie preferred to do all "You are making out a pretty strong her work. Sometimes by her needle case against me, Lizzie." she earned a dollar extra. Then, as it was a little lonesome for Frank, he could not do that; but I am stating facts. brought home several clerks as day One thing more. I have been at work boarders, at four dollars a week. Still, three hours since supper, and you have with all this, he would tell his acquaintances how much less it cost him to live the cradle, which I have been obliged now he supported a wife. He never to do half a dozen times." seemed for a moment to realize that she it was who was saving all these expenses, and kept him from starving.

So the matter stood when he asked his wife to mend the coat. Lizzie drew ried her dishes away as fast as possible. The coat was of broadcloth, and baby squall again."

was his wedding garment; but it was well nigh wearing out, broken under They stooped to kiss his fair, rosy the arms, the cord and lining in rags, the sleeve linings broken loose, buttons worn off; in fine, there was nearly a day's work. She sat down to the coat with hearty good will, determined to do her best. Her needle flew fast, but has kept his word. every moment it had to be laid down to see to dinner or hush the baby. The hours wore away, and though she did all she possibly could, the job was with a heart so depressed and saddened still undone at sundown.

pale, as his eyes were dim. She then who spoke cheerily for a minute or two, remembered Frank's words, "let him if only upon indifferent matters, you squall," and let him cry half an hour have felt yourself wonderfully lightened. or more. Oh, how it wearied her to Every child dropping into your house hear her darling cry for its mother. on an errand has brought in a ray of Tears swam in her eyes as she thought sunshine which did not depart when he of her hard day's work and the want | went his way again. It is a blessed of appreciation of her labor. She thing to speak a cheerful word when you knew she was making his old coat look | can. "The heart knoweth its own as well as new. But he would never bitterness" the world over, and good think of the toil she had put upon it. | words to such hearts "are like apples said; "I shall in my own spirit know strangers we meet casually by the way, all I have done, and that is enough." in the travellers' waiting-room, are un-

as dutiful. So she shook off her dis- use. It is the one with pleasant words content, and became as cheerful as pos- on his lips to whom strangers in strange sible. Then she worried through sup- lands apply for advice and direction in per getting, and with much managing their perplexities. Take it as a compli Frank came in with his companions. "My coat done, Lizzie?"

"No, not quite."

the oven, and the young men did not the heart of some sorrowing, absent see the deep flush of pain that flashed friend by sitting down and writing over her weary features. "Will you bring in a pitcher of water,

please?" she said pleasantly. "There it is again; when I was a bachelor I had nothing to do but hand my must hear; you must be silent; you coat over to the tailor, give him a dollar, must hear; you must be shent; you must be attentive. We can never hope and 'twas done in a jiffy, and not any to gain real wisdom or knowledge un-

fellow's tired either." household work and care. She could not endure his badinage, although half playful. She hastily set the biscuit on the table, and saying simply "supports" out waiting for an answer; he who althe table, and saying simply "supper is ready," stepped into the bedroom and lows his mind to wander from one thing burst into tears. Her tears did not flow long, though she was deeply and wrongfully hurt in her feelings. Her to what he is himself, whether old or heart gained in its natural relief, and after pretending she was getting Walter
we must also be good askers of questions. asleep (which she actually did) she bathed her eyes and came out, washed

her dishes, and sat down again to the Frank sat watching her flying fingers for an hour or two, as he laughed and with Dyspepsia as Americans. Although talked with his friend, thinking to himself that every turn would be the last. for this disease and its effects, such as At nine o'clock she had set the last Sour Stomach, Heart-burn, Water-brash,

made to-day, Frank?" asked Lizzie in a very earnest tone. "What do you want to know that for?" was his answer.

"For my own satisfaction; certainly I should feel an interest in all your "Well, I think the shop has cleared wenty dollars."

"How much do you count your own services worth ?" " No less than five dollars a day. "How many hours do you labor?" "Ten is the legal time now-a-days. what are all these questions for ?"

"Because, Frank, we are husband Always some excuse! Well, you must our lives together, and if there is harmony in our marriage relation, there must be justice and right. You may 'Try! just let him squall! 'twill do | call me daily to appreciate anything you car do. You have earned five dollars "Then, you know, it is ironing day." to-day; and the shop has cleared twen-

"Well how many more excuses? ty. Yet to save you one dollar, I work-I'll put it on rips and all, if you are ed ten hours on your coat, and six on your breakfast, dinner and supper, and making your home pleasant and comfortable. To save you that dollar, get, and baby, and ironing I do not have had to hurry all day, to put all my work out of my line, and to really neglect our darling boy, who should be our first care, and the last thing under

"I had not thought of that." "I know you had not, Frank, so shall freely forgive you, but I must insist that hereafter I may be allowed to best do, and shall not expect to be threatened, nor hear myself accused of not being willing to do my duty." Frank felt the force of her words and

"One thing more, Frank. I want to say while I am about it, that I don't while I am able to support myself. dollars a week, and the board of your-"By George!" he exclaimed, as he self, myself, and the baby beside. Then your twenty dollars a day. Out of this So he applied to Lizzie Forsyth to be comes the five dollars you call the worth with weary limbs and aching head and A snug house was rented, and the eyes to save you one dollar, in mending

been entirely idle, not even rocking "Lizzie, don't say another word,

and I'll never do so again," said Frank, and that if he had not earned a dollar, springing from his chair, to jog the her busy hands would have paid the rent and kept him from starving.

"You shall never mend another coat." "Yes, but I will," answered Lizzie, advancing to the cradle, "only don't a deep sigh after he was gone, and hur- tell me ten hours work can be done in five minutes, nor ask me to let the

She lifted Walter from the cradle. each other, while Frank whispered : "God bless you, Lizzie, I never thought of all this before. I won't do it again." Six years have passed by, and Frank

Speak a Cheerful Word. Did you ever go out in the morning that a pall seemed spread over all the Walter cried incessantly. He looked world? But on meeting some friend "And what if he don't," she mentally of gold in pictures of silver." Even But Lizzie was strong hearted as well consciously influenced by the tone we MIRAMICH BOOKSTORE. had all things done by the time that ment if some wayfarer comes to you to direct him which street or which train to take; your manner has struck him as belonging to one he can trust. It is "There's a woman for ye, boys. One hard sometimes to speak a pleasant half of them would let a husband go out word when the shadows rest on our of the elbows a week before they would hearts; but nothing will tend more to turn aside from any plan of their own. enlighten our spirits than doing good to All the ironing completed, I'll be bound, another. When you have no opportunity to speak a cheering word, you can Lizzie was taking her biscuit out of often send a full beam of sunshine into

good, warm-hearted letter. THE GOOD SCHOLAR.—Two things together are the very model of a good scholar. First you must listen. You grumbling. No water to fetch when a less we are willing to be taught; unless ellow's tired either."

Lizzie was nervous, was tired with fix our minds. He who is always talkcompanions; he who does not look up -Dean Stanley.

The American People.

No people in the world suffer as much stitch. The coat looked like a new one all around. As she finished, she looked up with still a shade of sadness upon of the food, low spirits, general debility, etc., yet since the introduction of GREEN'S "There, Frank, I have mended your August Flower, we believe there is no coat thoroughly. I guess it will last another year now."

"Quite a job, wasn't it?" longer than I thought," said he, deprecatingly.

"How much clear cash have you will relieve you. Regular size 75 cents.
