

Moderation and Temperance

WORKINGMEN
WANT BEER

They are opposed to any Temperance Law which does not distinguish between Beer and Strong Drink.

Mr. Tom Moore, President of the Trades and Labor Council in Canada, says:

"The prohibition workers introduced in Canada have caused a feeling of injustice to creep into the minds of the workers of Canada. I make this declaration, feeling that the workers of Canada want to be able to have beers and light wines as part of the solid enjoyment they are entitled to."

Let the Voice of
Labor Be Heard

If you are a worker yourself or a friend of labor, do what you can to make the government see that the people of New Brunswick want to help the workers secure their full measure of good things which is theirs by right.

It is for the best interests of the province that labor should feel contented. Now is the time for action.
