POWER COMPANY APPLIES FOR MORE TIME TO DEVELOP ITS GRAND FALLS HYDRO WORKINGS

Legislature Will Make a Drive Beginning Next Week in an Attempt to Finish All Its Work by the Middle of the Month—Amendments to Game Laws and Motor Vehicle Act Are Discussed.

Fredericton, N. S., April 1.—The House met at three o'clock this afternoon to continue the business of the day. Mr. Hayes submitted the report of the Committee on Municipalities. Hon. Mr. Michaud submitted a report of the Committee on Standing Rules. Notice of enquiry were given for Thursday next, as follows: Mr. Fawcett—As to the amount of the permanent road work performed throughout the province after the close of the fiscal year. Mr. Pickett—As to the road and bridge repairs needed in the County of Victoria. Mr. Smith (Albert)—As to what amounts had been advanced to district boards of health in counties where funds were not voted by the municipal council. Mr. Richards introduced a bill to amend the Church of England Act, 1912. Mr. Hayes introduced a bill to enable the City of St. John and public institutions therein to borrow money. He explained that in St. John, as in other municipalities, estimates were made up at the beginning of the year. The taxes levied were not paid in until July or August, and in the meantime loans were made from the banks in order to allow the different services to be carried on. Mr. Smith (Albert) introduced a bill to authorize the City of St. John to borrow money.

Grand Falls Power
Mr. Legard introduced a bill relating to the Grand Falls Company, Limited. He explained that the company was the holder of power rights at Grand Falls, Victoria county, which rights were confirmed by legislation in 1911. Since that time the company had acquired considerable holdings at Grand Falls, and was in a position to develop power. It had also acquired at large scale power rights in the State of Maine. The charter had called for an expenditure of \$100,000 in development work one year from the proclamation of peace. It was possible that peace would be proclaimed and the year expire before completion of the necessary money to develop Grand Falls, and the bill proposed an extension of two years from May 1 next.

River Storage
Hon. Mr. Veniot introduced a bill relating to storage waters on rivers, streams and lakes. He explained that under section 1, it was provided that no dam or work impounding water could be done without the approval of the governor-in-council. In the case of dams already in existence, it would be necessary to prepare plans of the same within one year after the passage of the act and submit them to the governor-in-council. If that was not done the minister of lands and mines would have power to prepare the plans at the expense of owners. In the case of the approval of the governor-in-council could not be obtained, the dams were to be destroyed. He said the bill would not apply to driving dams on rivers and brooks.

This Will Interest Stomach Sufferers
Says indigestion comes from an excess of hydrochloric acid.

A well-known authority states that stomach trouble and indigestion are nearly always due to acidity—acid stomach—and not, as most folks believe, from a lack of digestive juices. He states that an excess of hydrochloric acid in the stomach retards digestion and starts food fermentation, then our meals turn into garbage in a can, forming acid fluids and gases which inflate the stomach like a toy balloon. We then get that heavy, lumpy feeling in the chest, we eructate sour food, belch gas, or have heartburn, flatulence, water-brash, or nausea. He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast while it is effervescent, and furthermore, to continue this for one week. While relief follows the first dose, it is important to neutralize the acidity, remove the stimulating mass, start the liver, stimulate the kidneys and thus promote a free flow of digestive juices. Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with bicarbonate phosphate. This harmless salt is used by thousands of people for stomach trouble with excellent results.

TABLEAU!

P. E. I. Had Surplus For The Year 1920

Provincial Secretary Was Able to Show Credit Balance of Over \$3,000.

Charlottetown, P. E. I., April 1.—The statement of public accounts tabled in the local House of Assembly, shows a surplus of \$3,263, for the year 1920. The total receipts are placed at \$748,659, and the total expenditures at \$745,396. For the preceding years the receipts were placed at \$506,363, and the expenditures at \$739,281. The debt of the province was reduced during the year by approximately \$20,000, the total liabilities of the province now standing at \$1,176,000.

Notices of Motion
Mr. Peck gave notice of motion, seconded by Mr. Young, for Tuesday next, as follows: "Resolved, that in the opinion of this House, it is desirable that the government shall take such action as will make it clear that the legislation enacted in the year 1915, shall not be deemed to interfere with the then existing rights of the owners of the soil under grants from the Crown."

In Committee
The House then went into committee with Mr. Hayes in the chair, and took up consideration of a bill to amend the Motor Vehicles Act.

Game Is Not Decreasing.
Hon. Mr. Robinson said that a feeling was abroad that the game in the province was decreasing. It was an important asset, and if further depleted would result in many prospective hunters being kept out of New Brunswick.

Mr. Smith (Albert) said it was a wise provision to change the date for the opening of the game season from September 15 to October 1.

Mr. Vanderbeck said he would support the bill. The meat of moose and other animals could not be kept in September. He had known of camp crews letting entire carcasses, with the exception of forty or fifty pounds, go to waste, at that season of the year.

Mr. Estabrooks said he would like some information before taking action on the bill. He wanted data focusing the fatal shooting accidents in the province last year.

Hon. Mr. Merrett said that a considerable number of guides 20 or 25 were located in his own county. He believed that they would recognize the wisdom of reducing the length of the open season if explanation were made to them. The committee rose and reported progress.

Hon. Mr. Foster said for the information of Hon. Members, that supply would be the business for Monday night. The House adjourned at 5:07 p.m. until Monday at 9 p.m.

Mrs. W. H. Stevens Dies At St. Stephen

F. C. Murchie, Lumberman and Horse Fancier, is Seriously Ill Now.

St. Stephen, N. B., April 1.—Mrs. Stevens, wife of Wm. H. Stevens, of His Majesty's Customs, died today at her home on Prince William street, aged eighty years. Her husband, a stopper and step-daughter survive. The funeral service will be held Sunday afternoon. Mr. Rosborough was eighty-one years of age, and is survived by his daughter, Mrs. Arthur Kirk, with whom he made his home; another daughter and several sons residing in the United States. Rev. F. H. Holmes, pastor of McCall Methodist church, has been confined to his bed by illness since last week. Frank C. Murchie, the well known lumberman and horseman, chairman of the track committee of the local agricultural society, is confined to his home in Milton by severe illness.

WANTS BOAT SERVICE.
St. Stephen, N. B., April 1.—At a meeting of the council of the Board of Trade, M. N. Cockburn, E. O. and A. R. McKeanie were appointed delegates to interview the Government at Ottawa in behalf of a subsidy for the proposed resumption of steamboat service on the Deer Island route. Strong objection was expressed to an act now before the Legislature authorizing the issue of bonds to meet an over-draft on street work, and steps taken to hold a public meeting to discuss the matter, but as the bill is due for its third reading today and could not be delayed, this project was abandoned.

Backaches and other external pains quickly soothed.

Queens Co. Cases Were Postponed

Women's Auxiliary Held Successful Pantry Sale in the Guild Hall.

Special to The Standard.
Gagetown, N. B., April 1.—The case of Frank Golin, a returned French Canadian soldier, of Cole's Island, charged with threatening a neighbor, Isaac Kierstead, which was to have been taken up on Tuesday of this week before Magistrate T. Sherman Peters, has been remanded until Saturday, owing to the failure of the other parties in the case, to appear. As the river was full of running ice yesterday and today, it was not possible to cross the river from Cole's Island. The case of George Appleby, charged with obtaining money under false pretences, set for trial before Judge Wilson on Tuesday afternoon, has been postponed for an indefinite length of time, awaiting the appointment of a new county court judge. On Saturday afternoon, the Women's Auxiliary held a very successful pantry sale in the Guild hall, when \$15.55 was realized by the sale of some attractive and delicious home-cooked, for the Auxiliary's outfit for an Indian girl at Union Lake school, Sask. The tables were in charge of Mrs. R. H. Weston and Mrs. Mary E. Barnett.

Moncton Women After The Steven's Murderer

Local Council Will Petition Government to Take Action to Punish Crime.

Special to The Standard.
Moncton, N. B., April 1.—The Local Council of Women is far from satisfied with the failure of justice to punish anyone for the murder of Miss Minnie Stevens Edmundson. At a meeting held here a committee was appointed to draw up a resolution to the Government to the effect that steps be taken to bring the murderer of the young Western Union Telegraph operator, who is still at large somewhere, to justice and to avenge the atrocious death of the girl.

Prohibition Com. Organized Soon

Mr. Tweeddale Expected in Fredericton Next Week to Start Work.

Fredericton, N. S., April 1.—The organization of the Prohibition Commission, which was recently created to handle the wholesale importation and distribution to vendors of liquor for medicinal purposes in New Brunswick, will meet here next week for organization purposes. Today was the date originally set for the work to commence, but a postponement was made necessary by the recent serious accident to Hon. J. F. Tweeddale, the chairman, who fractured his skull in a fall on the ice near his home at Arbutus some weeks ago. This afternoon Premier Porter said he had been advised that Hon. Mr. Tweeddale would be able to be here next week and that the meeting would then be held.

Halifax Bandit Got Ten Year Term

Others Got Lesser Sentences—Two Arrests in Simpson Robbery Case.

Halifax, N. S., April 1.—Charged with the theft of approximately \$800 worth of goods from the Robert Simpson Eastern, Ltd., Wm. Sampson and Arthur Mission, employed by the firm as drivers, were arrested this morning. Ten years in Dorchester penitentiary was the sentence handed out today by Judge Chisholm of the Supreme Court to Alexander Carvery, recently convicted of robbery with violence at a local butcher store. Lawrence Boutilier and A. Keeling, convicted of theft, were given fifteen years each in penitentiary. Lesser sentences were imposed on other convicted prisoners for minor offenses. TO MASSACHUSETTS BAR
Chatham, April 1.—Thomas J. Barry son of Mrs. Edward Barry Chatham, has received his call to the Bar of Massachusetts. Mr. Barry passed his examinations with high honors. He will practice law in Boston.
