THE above Pills having stood the test over forty years, and being prepared with great care and study, nothing cheap or impure being tolerated in their composition, are perfectly safe to administer to the most delicate constitutior. They never reduce the patient; no cessarion from business or any unusual change is ever nucessary. They aver render any one more liable to take cold, containing no dangerous drug, they act as kindly on the tender infant, the most delicate female, and infirm old age, as upon the most vigorous and athletic system, exercising the most vigorous and athletic system, exercising the most healthful influence on the whole system, invigorating the debilitated organs, building up the flagging nervous energies, imparting vigor to body and mind, and bringing every faculty into healthy play.

To Females, from the peculiar affections that attend them when they are arriving at maturity, and als at the decline or "change of life," they are the best remedy and assistant that can be used.
