Hear a
pure voice!

MORE beautiful than a
sweet silver bell,—more
exquisite than any other musical
sound in the world,—is the
human voice when it is pure.
But rare! Extremely rare!
Mr. Edison tested 3800 singers.
Only 22 sang pure notes.

DISAPPROVES SALARY GRADING ON MERIT BASIS

London Teacher's Remarks
Result in Resolution Being
Passed.

TORONTO, March 31.—Miss Evelyn Johnson of London, Ont., speaking at a meeting of the Ontario Educational Association convention here today, expressed disapproval of salary grading according to merit. "Inspectors do not always think alike," she said. "One grades a teacher high; another grades her low. There are a great many things besides class management and discipline to be considered. The influence of the teacher cannot be graded by the inspector."

NEW POLICE CHIEF IS DOING GOOD WORK

WALLACEBURG, March 31.—The Great Lakes Oil Company here, which went into liquidation several months ago, has been taken over by the Cities Service Oil Company, Limited, of New York. The plant is being overhauled and put in shape for an extensive business. The company is improving and extending their facilities, and expect to be running in a few days. The operation of this plant and the marketing of its production will give the Cities Service Company a new outlet. H. W. Camp, formerly of the Empire Refineries, who lately moved here from Oklahoma, will be the general manager. The town council is being congratulated on the excellent choice it made in selecting a new chief of police, in the person of H. Macintosh of Port Stanley. He is doing good work in traffic regulation, which was sorely needed, as the main streets are comparatively narrow. This regulation covers pedestrian traffic as well as autos, or other vehicles. The chief is affable and courteous, yet vigilant and active in his duties and observes the "one rule for all." The incessant rains of late has delayed the commencement of street paving, which will cover many miles this season.

WANT BOARD TO SETTLE SALARIES

Teachers Will Ask Ontario
Government To Appoint
Arbitrators.

TORONTO, March 31.—Another step forward to insure improvement in teachers' salaries was taken by the public school section of the Ontario Educational Association at its closing session here this afternoon, when the delegates went on record as favoring an arbitration board to act in case of trouble over salaries. Yesterday federations were approved, of which also were calculated to help raise salaries. This afternoon the teachers decided to ask the Ontario Government to establish a board of reference to act as arbitrators when trouble arises over salary questions.

It was proposed that the board of reference of Ontario should be modelled after that of Manitoba, where it had met with success. It was proposed that there should be three members on the board, one to be named by the trustees of the province of Ontario, one by the teachers, and a chairman to be chosen by the Government, the chairman not to be associated in any way with the trustees or teachers. The hope was expressed that legislation along this line might be put through at the present session of the Legislature.

ASK ADJUSTMENT OF SALES TAX

Business Associations Are
Making Suggestion To
Finance Minister.

TORONTO, March 31.—An adjustment of the present sales tax is the suggestion which will be made to Sir Henry Drayton, minister of finance, by the Canadian Manufacturers' Association, the Retail Merchants' Association of Canada, and the Canadian Credit Men's Association, as the best way to raise federal revenue from the businesses of the country. This decision was arrived at in Toronto this afternoon at a conference of the organization in question after two days of discussion on the tax question. The conference had been called at the request of the finance minister, who had intimated that he would listen to any proposal coming from representatives of the three associations. If the were unanimous thereon. Complaint had been made existing forms of taxation as restrictive of trade, hence the suggestion of the conference by the minister.

INSPECTOR EXPLAINS INCOME TAX FORMS

George Tambling Addresses
Border Chamber of
Commerce.

WINDSOR, March 31.—George R. Tambling of London, inspector of taxation for the district, was the speaker at a luncheon of the Border Cities' Chamber of Commerce today, explaining the intricacies of income tax forms. A. T. Montreuil, local collector of customs, has received word that the civil service commission has authorized his appointment as collector of customs and excise following the amalgamation of the inland revenue and customs departments. The inland revenue department in Walkerville was today moved to the postoffice building in Windsor. Under the amalgamation George A. Bouteiller, who has been the collector of inland revenue at Walkerville, has been retired.

According to word received today W. E. ("Pussytot") Johnson will deliver his lecture in the armories here on the night of April 11. Rev. Ben Spence has received a letter in which the prohibition advocate states that although he has been ill he is "out of the woods, and will take pleasure very much April 7, when," he writes, "I will go up and see your prohibition. I will be on the job, don't forget that."

LATE JAMES WELCH FROM WESTMINSTER

Veteran Grand Trunk Employee Dies
On Farm Near Thamesville.

THAMESVILLE, March 30.—The death occurred early today of one of the pioneers of this vicinity in the person of James A. Welch. He died at the residence of his son, James Welch, Jr., concession 4 of Zone Township, in his 81st year.

Mr. Welch was born in Westminster Township near London in 1840. For about ten years he was engaged on the old Grand Trunk Railway as bridge builder, and in 1884, during the American civil war, was engaged by the United States Government in the super-

vision of rebuilding bridges which had been destroyed during the war, he being erecting among other buildings the local Anglican Church.
From here he moved to the old home, situated in the south. He came to Thamesville shortly afterwards, and resided here for ten years, where he worked as a builder and contractor, was married to Miss Sarah N. Huffman in 1864, his wife predeceasing him some nine years ago.

A family of five children survive: son James, on Friday, April 1, being conducted by Rev. E. S. Wa at 2 o'clock, with interment in Mayhew Cemetery, Thamesville.
