LET'S ALL GET BUSY

Let every citisen join in the work on Fire Prevention Day, October 9th. Let us make our town as clean and attractive, as safe from fire, and as free from disease as any city in the Province. The success of the "Clean-Up" depends upon everyone taking part. Many disastrous fires are caused by the accumulation of rubbish—naners boxes. etc.—about Province. The success of the "Clean-Up" depends upon everyone taking part. Many disastrous fires are caused by the accumulation of rubbish—papers, boxes, etc.—about houses, in attics, cellars and yards. This is a business proposition as well as a matter of civic pride and health. A thorough observance of this "Clean-Up" Day may prevent a conflagration that would wipe out a good part of the town. Such conflagrations are frequently occurring: They are often caused by just such conditions as this "Clean-Up" is intended to remove.

Let everybedy get busy and help to remove the possible cause of such a disaster in their home town.
