"I never did anybody any harm intentionally, but I admit I have done some wrong things. I am not a West Indian negro as some people have claimed. I was born in Bear River, N.S. Oct. 19. 1879 and I am half white, for my grandmother was a Scotch woman

TEAGHER RESIGNS TO GET MARRIED

FREDERICTON, N. B., Nov. 29.-At a meeting of School Trustees yesterday Mrs. Pinder, teacher of the Morrison's Mill school, who is about to get marwas accepted, and Miss Strong was transferred from the Doak school to fill her place. Miss Milliken was thereupon appointed to the Doak school at a salary of \$200. A motion to close city schools against pupils attending them from any outside parishes where diphtheria may be prevalent was pased. The request of the Daughters of the Empire to present a prize to the pupils of the High Scho competitive essay on a patriotic sub-

lect was granted. Chairman Moore of the water committee of the City Council this morning states that it was expected by the engineers that the filtration plant will June 1st next. It is expected that the engineers and contractors will have the plant so far completed by May next that the tests will be made at th time when there are high freshets and the water in the river is at its worst. Engineer Barbour last evening had a conference with the water committee, and it has been decided to remove the Northey pump at the pumping station from its present position to a tempor-ary shelter and thus prepare for the installation of the high duty engine. The Northey pump will be kept connected, however, so as not to lessen the

city's fire protection.

Ronald, the young son of Sandy Caples, the well known hockey player, is ill with diphtheris, and the house

has been quarantined. President Murray, of the Fredericton Society of St. Andrew's, has received an invitation to attend the dinner of the North British Medical Society Halifax at the Halifax Hotel on the evening of St. Andrew's Day.
