

Ward in the City, and as soon as the Provisional Committee find that subscriptions have been obtained sufficient in their opinion to justify them in proceeding, they will obtain a Statutory Charter of Incorporation, and will hand over the work of establishing and maintaining the Institute to the Board of Management of the Incorporated Institute, which Board will of course be elected by the subscribers. The Committee has resolved to recommend that the name of the Institution shall be "THE LADY STANLEY INSTITUTE FOR TRAINED NURSES."

The Institute will be for the education of women as nurses, and will afford a home not only for those in course of training but for many who will devote themselves when trained to the nursing of the sick.

The Provisional Committee will recommend the Board of Management of the corporation to provide that every person who subscribes \$1,000 shall be a Life Governor, and be entitled to nominations to the two first vacancies for pupils in the School; and that every person who shall subscribe \$500.00 shall be a Life Governor, and be entitled to the nomination of a pupil for the first vacancy after the nominations made by the person or persons subscribing \$1000; that every person subscribing \$200.00 shall be a Life Director without being required to pay any annual fee. And also that every person subscribing \$100.00, and paying annually a fee of \$5.00, shall be a Life Director.

It is almost needless to say how invaluable are the services of a properly trained nurse in cases of severe or long continued illness, whether rendered by a mother or daughter in her own family or by a professional nurse. They not only minister greatly to the comfort of the patient but aid and assist in a very great degree the efforts of the attending physician.

To this scheme your practical aid and valuable influence are respectfully solicited.

THE LADY STANLEY OF PRESTON, - - -	HONORARY PRESIDENT.
LADY MACDONALD, - - - - -	HONORARY VICE PRESIDENT.
