

Alert Bay B.C.

625/9.

Sept 2nd 1914.

I beg to remind you that the cylinder head
for my engine has not yet come forward.

I am badly in need of it as I am missing all the good
weather for travelling and it is not safe to use it until the
head comes.

Would you kindly rush.

Your obedient servant,

Indian Agent.

Messrs Jamason & Rolfe.
