

Action by Canadian Government. - 5.

Press Statement - Oct. 29 (Cont'd.) (5)

It is also to be understood that the Government's course in approving economic sanctions in this instance is not to be regarded as necessarily establishing a precedent for future action. In the future, as in the past, the Government will be prepared to participate in the consideration of the most effective means of advancing the aims of the League through the adjustment of specific controversies, the lessening of the rivalries based upon exaggerated economic nationalism, the renewal of the effort to stem the rising tide of competitive armament, and such other policies as are appropriate for a country in the geographic and economic position of the Dominion, and as will ensure unity and common consent in Canada as well as the advancement of peace abroad.
