Sir

I have to acknowledge the receipt of your letter to the Agent reporting upon the application made by certain Indians of the Point Grouse Reserve to have a school established at the Reserve and stating that in your opinion the number of children on the Reserve is not sufficient to warrant the establishment of a school there, and in reply I have to say that you should inform the Indians of the objection to having a school on the Reserve.

Yours

J. C. Phipps, Esq.  
 Indian Sub-  
 Commissioner
