Pte J E Mepstead
It rained to about 1 P.M.
of Thursday last Monday morning
when I took the jeep from
the camp. I went to London
with the jeep, arriving early
in the morning. I parked it
two or three times while I
strutted around London. I left
London on Monday night about
twelve o'clock and made back
to Aldershot. I left the jeep
in Aldershot and left there at
10.50 AM on Tuesday morning and
came to Chichester. I just
hung around Chichester all day
Tuesday and went to a show.
I made my way back to
and camp early on Wednesday
