Re: Cloolthpich Indian Reserve - Timber

We enclose copy of our letter to Mr. Garrard advising of the acceptance of the timber surrender by Order-in-Council, which was dated the 26th of March, 1953.

The Reserve comprises 59 acres. Can you supply any estimate of the quantities of timber and recommend an upset price and also any special conditions which should apply to the sale.

Please also advise the newspapers in which you would recommend publication of advertisement for tenders.

L.L. Brown,
Superintendent,
Reserves and Trusts.
