HEADACHE.
DR. E. SPOHN, a German physician of much note, having devoted his attention for some years to the cure and removal of the causes of **ALGIDUS** and **RICK HEADACHE,** has the satisfaction to make known, that he has a remedy which by removing the causes cures effectually and permanently this distressing complaint. There are many families who have considered Sick Headache a constitutional incurable family complaint. Dr. S. assures them that they are mistaken, and labouring under distress which they might not only alleviate, but actually eradicate by the use of his remedy. It is the result of scientific research, and is entirely of a different character from advertised patent medicine, and is not unpleasant to the taste. To be had of

PILES, DROPSY, SWELLINGS, ALL SORES, RHEUMATISM. It is absolutely asserted on the most positive proof that the above complaints are arrested and cured by the timely use of Hay's Liniment. It is impossible to find room in this paper to present those proofs which are conclusive and convincing. They may be seen at length as below.
 The true article has a splendid engraved wrapper with agents' and proprietor's name, and may be had of

VICTORIA HOUSE.
 (RUE SOUS-LE-FORT—QUEBEC.)
GEORGE ARNOLD, PROPRIETOR,
IS now open for the reception of visitors. The situation and accommodation of the premises combine advantages unequalled by any similar establishment in Quebec, and unsurpassed in the Canadas. The arrangements have been made under the immediate superintendance of the proprietor, and as the business will be conducted by himself personally, every attention will be ensured to those who may favour him with their visits. To those gentlemen in particular who are connected with the business of the port, the situation of the premises, in the direct vicinity of the Steam-Boat Wharves, and Custom House, offers great advantages; and to the public in general, the arrangements of the establishment are such as to present every convenience. On the ground floor are an extensive, Saloon and Reading Room. On the first floor are two spacious rooms, which by means of folding doors between, may, whenever required, be converted into one magnificent apartment of 70 feet by 32 feet, and 15 feet high; a dimension which renders it a most eligible place for meetings, &c. The numerous apartments contained in the three upper stories are fitted up for the accommodation of families and individuals. A spacious gallery on the roof commands a splendid view of the harbour of Quebec and the surrounding Country.
 The Wines and other liquors of the establishment will be of the first order; refreshments of all kinds may be had throughout the day; and it will be the study of the proprietor in providing for his guests to combine moderate charges, and superior accommodation.

GEO. ARNOLD.
 Quebec, 23d June, 1838.
NOTE.—Lumber Merchants and others connected with that branch of commerce, will meet with every accommodation and attention, at the above establishment, the proprietor having for many years past had an extensive acquaintance with parties in that line, from the Upper Province and the United States.

HÆMORRHOIDS—NO CURE NO PAY!
 Price \$1—Hay's Liniment—No Fiction.

THIS extraordinary chemical composition, the result of science and the invention of a celebrated medical man, the introduction of which to the public was invented with the solemnity of a death-bed bequest, has since gained a reputation unparalleled, fully sustaining the correctness of the lamented Dr. Gidley's last confession, that "he dared not die without giving to posterity the benefit of his knowledge on this subject," and he therefore bequeathed to his friend and attendant, Solomon Hays, the secret of his discovery.

It is now used in the principal hospitals and the private practice in our country, first and most certainly for the cure of the Piles, and also extensively and effectually as to haſte credulity, unless where its effects are witnessed externally in the following complaints:—
 For Dropsy—Creating extraordinary absorption at once.
 All Swellings—Reducing them in a few hours.
 Rheumatism—Acute or Chronic, giving quick ease.
 Sore Throat—By cancers, ulcers or colds.
 Croup and Whooping Cough—Externally, and over the chest.
 All Bruises, Sprains and Burns—Curing in a few hours.
 Sores and Ulcers—Whether fresh or long standing, and fever sore.
 Its operations upon adults and children in reducing rheumatic swellings, and loosening coughs, and tightness of the chest by relaxation of the parts has been surprising beyond conception. The common remark of those who have used it in the Piles, is "it acts like a charm."

THE PILES.—The price \$1 is refunded to any one who will use a bottle of Hay's Liniment for the Piles, and return the empty bottle without being cured. These are the positive orders of the proprietor to the Agents, and out of the many thousands sold, not one has been unsuccessful.
 We might insert certificates to any length, but prefer that those who sell the article should exhibit the original to purchasers.
CAUTION.—None can be genuine without a splendid engraved wrapper, on which is my name, and also that of the Agents.
