The object of this Society is to colonize a tract of land in the North-West Territory, furnishing
lands to actual settlers at cheap rates with the provision that such settlement be kept free from
all intoxicating liquors. An application has been made to the Dominion Government of Canada
for a compact, choice tract of land comprising about 2,000,000 acres for this purpose, and the
Government has replied favourably on the terms proposed in the application, to be allotted to
subscribers under especially favourable terms. The management are prepared to provide facilities
for reaching the same. The best experts from Europe, United States, and Canada, will be employed
to select from the entire unsurveyed lands of the North-West Territory land favourably located
commercially, and having the best soil, water, and timber advantages, and other desiderata neces-
sary to a successful settlement and permanent prosperity. No reasonable pains will be spared to
accommodate early settlers in establishing themselves in their new homes, where we hope they
will soon enjoy the blessings of a large and harmonious community, free from the dissipation so
commonly attending the severing of old ties, and the formation of habits in a new country. Great
advantages will be derived from this manner of settling a new colony, having the social, commer-
cial, and other privileges of an old settled community.

It is an acknowledged fact that our Great North-West is destined at no distant date to be the
wheat-growing centre, and the garden of the world; and it is hoped that this large compact settle-
ment, in the choicest part of this Territory, will become an important and controlling centre of a
future Province, noted for the sober habits, enterprise, and virtue of its people.

The Management for the present will take subscriptions for lands in this tract at \$2 per acre,
and on easy terms of payment, ten per cent. in cash and ten per cent. annually thereafter until
paid, with interest on unpaid balances at the low rate of 6 per cent., with the privilege of pay-
ing sooner if desired. We hope to be prepared to give titles inside of a few months, or as soon as
the lands are subscribed for, when the first payment of ten per cent. will be required.

2,000,000 Acres of Choice Lands

will be Selected by Special Arrangement with the Government, from the entire Unsurveyed Por-
tion of the Great North-West, by the First Experts of this and the European Continent.

At only \$2 per Acre, Payable by Instalments, in Ten Years.

RAILWAY OR WATER COMMUNICATION TO BE OPENED TO THE SETTLEMENT.

Subscribers will have Choice in the order of their Subscriptions. Therefore sub-
scribe at once. COUNTY SECRETARIES AND ASSISTANTS WANTED.

Owing to the unexpected press of applications for shares, and the consequent burden of corres-
pondence, we have determined to employ a few prominent, reliable, and active men as local
managers and assistant secretaries in the several counties, towns, and cities.

Applications for this position should be accompanied by proper recommendations and for-
warded at once to the Head Office.

Applications will be attended to by

J. A. LIVINGSTON, Secretary,

114 and 116 KING-STREET WEST, TORONTO, ONT.

* In reply or on application please mention this paper.
