The Spirit of Christmas

Christmas time celebrates the advent of the great Teacher who inaugurated a new era of mutual regard, mutual forgiveness and mutual aid.

In no other institution is the principle of mutual helpfulness so clearly exhibited as in mutual life insurance, where each member contributes for the benefit of all, and all members contribute for the benefit of each.

A policy issued by the Mutual Life of Canada actually carries the Christmas Spirit with it into every day of the year, the policy being the expression of thoughtfulness for others.

Keep Christmas all the year.

before being Curate of St. James the Evangelist, Montreal. Later he was Rector of St. Luke's Pro-Cathedral, Sault Ste. Marie, Ont., and a Canon of Algoma Diocese. He has greatly stimulated the work of the parish, and has gathered a group of united and loyal workers who have not limited their interests to the parish. Jubilee year finds Christ Church's membership larger than ever, its organizations more flourishing, its activities more ambitious.

The Bishop of Toronto, who laid the cornerstone of the present edifice, preached at the Jubilee service last Sunday, reviewing the history of the parish and remarking on the rarity of a church having only three rectors in fifty years. Canon Paterson preached at the evening service, recalling old times and giving a word for the future.

During the last fifty years there have been 927 persons confirmed, 1,386 baptisms, and 469 marriages in the Parish Church. The congregation bore its part in the great war, for the honour roll contains the names of 131 men and women who enlisted, and a splendid bronze tablet commemorates the death of 37 young men who made the supreme sacrifice.

Our deeds are like children that are born to us; they live and act apart from our own will. Nay, children may be strangled, but deeds never: they have an indestructible life both in and out of our own consciousness.—George Eliot.
