

Ordered, That the Clerk of this House furnish a copy of this resolution to such persons as are concerned in collecting the revenue.

Resolved, That the resolution which the Council came to the eleventh day of this month on motion made by Mr. Justice Allen namely "that the Council do make it an indispensable condition to the passing of the bill now before them 'for raising a revenue in this province and for appropriating the same, together with the monies now in the treasury,' that what relates to 'the pay of the members be taken out'" is not only unparliamentary and not warranted by any Precedent, but is a flagrant breach of the Privileges of the House of Assembly, repugnant to the principles of the *British*, and subversive of those of our Colonial Constitution, and tends to destroy the independence of this House in the granting of Supplies and in the disposition of the Public Money.
