At 2 o'clock, no other nominations having been filed, Sheriff Ritchie cast the necessary ballot and declared Mr. Pugsley elected.

Dr. Pugsley received an enthusias-tic reception from the large audience which had gathered in the courtroom. He would embrace the opportunity, he said, to extend sincere thanks to the citizens of St. John for their great indness in making him a candidate without opposition. It was an evidence that they have confidence in him, and that they believe he will do his best to serve their interests. He would put forth every effort in their behalf. He has been called to the great position of Minister of Public Works and while in that capacity would have to devote careful attention to the affairs of all parts of the Dominion; he would not for a moment forget the people of this constituency.
