The many friends of Mrs. Grace An-drew are sorry to learn of her continued in health and hope for great improvement who have tried to live with others suc

Our High School pupils, Marion and Jessie Bishop and Alex Andrew, are busy writing examinations this week in Wolf-

ville Mrs. Rose and daughter, of Wolfville, vere guests at the home of Mr. and Mrs.

G. Fraser on Tuesday afternoon. The annual school meeting of this

District was held on Monday evening, with a very good attendance. Mr Howard Forsythe is the newly appointed trustee. The school board is now as follows for coming year: Miss Lillian B'shop, Mr. Howe Pulisfer and Mr. Howard Forsythe, with Mr. Harry Neary, as Secretary, which office he has held for several years. A good deal of business discu took place. Secretary reported several applications for our school had been received during the last few months.

The Provincial Examinations are being held at the Wolfville High School this week, there being 105 candidates. Dr. F. E. Wheelock, the deputy examiner, is being assisted by Miss Zoa MacCabe

F

and Miss Mary Patriquin.

DR. PATTERSON ADDRESSES NOR-MAL GRADUATES

The closing exercises of the Provincial Normal College, Truro, were held on Thursday of last week. The chief speaker was Dr. F. W. Patterson, president of Acadia University, whose excellent ad-dress was listened to with great interest and chesters. and pleasure

He likened the year's work of the st to Halifax last Thursday returning home Miss Elsie Piper spent the week-end, a guest of friends in Kensville. "Mrs. John Fenwick, of Wolfville, spent Work. Andrew Fenwick. Magnetic State Mrs. Andrew Fenwick. Mr. and Mrs. B. L. Bishop and two sons, also Miss Lillian Bishop, motored to Lakeville on Sunday afternoon to visit friends a few hours. ferent things as there are number of students. Emphasis should be placed on people, rather than matter, but a teacher must know them both. Chil should be taught subjects to certain de finite ends. The great problem of educa tion is to teach people how to live with

their fellows harmo iously. "When we see all the trouble betw ending a few days this week with Mrs. as though education had failed in this The ethical and moral contact respect. in the curriculum could be taught in two

cessfully and failed in most cases. Geo-graphy is the description of the habitat of those trying to live with their fellows Literature is the thoughts of seers other ages who wrote on this great pro-blem of living. Mathematics is the ca culation of time and space under which men solve this same problem. Each of us should live for the good of all, and all for the good of each. We learn by Boys and incarnation, not exposition. girls should be taught to be efficient members of society."

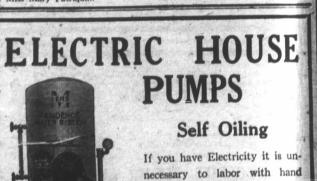

The following students from ounty were awarded Superior Rank Diplomas: Kathleen Elberta Bowlby, B. A. Ayle

ford. Esther Crichton, B. A., Berwick.

Josephine Harris. B. A., Canning Norma Eloise Webster, B. A., Ken

Eileen Kirk Willey, B. A., Canard Hilda Johnson, B. A., Greenwich

Ruth Sheffield, Upper Canard, will eligible for Superior First Rank on t

The elections in the province of Ontario n Monday resulted in the overwhe defeat of the farmer gov rnment, led by Fremier Drury. Unlike recent contests of the kind the outcome is most decisive and the Liberal-Conservatives will have 75 members in the new house out of a total of 111. The United Farmers elected 17 candidates, the Liberals 14, Labor 4, Independent 1. The new govern-ment's majority will be greater than the

illing conditions of teaching, etc. Emma Bigelow, Canning, was awarded

First Rank Diploma, and Margaret Burbridge, Lower Ganard, and Muriel Butler, Berwick, second Rank Diplomas

places.

J. W. HARVEY, Manufacturers Avent

The other day a man from Kingston came in for a small casting be-longing to a One Horse Buckeye Mower which he purchased at this stand in 1885 and which has since been in constant use. He got his part and went on his way rejoicing. Nothing peculiar about this, only the length of time the Mower has been operating. We take personal pride in our stock of repairs for all the machines we handle. Are you acquainted with the
