This was to show their appreciation of her faithfulness in keeping this much needed work going. Refreshments were served and there was music and singing. DOCTOR URGED AN OPERATION

Instead I took Lydia E. Pinkham's Vegetable Compound and Was Cured.

Baltimore, Md.—"Nearly four years I suffered from organic trouble, nervousness and headaches and very much worse. I was in bed most of the time. Treatments would relieve me for a time but my doctor was always urging me to have an operation. My sister asked me to try Lydia E. Pinkham's Vegetable Compound before I consented to an operation. I took five bottles and I am completely cured and my work is a pleasure. I tell my friends who have any trouble of this kind to try Lydia E. Pinkham's Vegetable Compound before they consent to an operation. I took five bottles and I am completely cured and my work is a pleasure. Had Headache For Two Years

A Barrie Man Tells of Persistent Headaches and Indigestion—Finally Found His Way to Good Health.

For two long years the writer of this letter was subject to severe headaches. The nervous system got run down, digestion failed, and there was continued loss of weight.

The use of Dr. Chase's Nerve Food changed all this and now with scores of other Barrie people Mr. Baker is recommending the use of this food cure as the best means of building up the exhausted nervous system and curing persistent headaches and indigestion, and all the annoying symptoms of a run-down condition.

St. John Nader, 25 Front Street, Barrie, Ont., writes: "During the last two years I had an attack of indigestion, accompanied by severe headaches, and I suffered from loss of appetite and my system became run down. I also lost considerable weight. I began using Dr. Chase's Nerve Food, and as they helped me I continued this treatment for some time. My condition is now greatly improved, my headaches are gone and my health in general is much better. I can cheerfully recommend the use of Dr. Chase's Nerve Food to those suffering from nervousness of any kind."

The reason Dr. Chase's Nerve Food is so effective in cases of this kind is because of its extraordinary blood-forming influence. By restoring an abundance of rich, red blood it strengthens the action of the heart, revitalizes the exhausted nerves and builds up the system in every way.

The appetite is restored, digestion improves, you rest and sleep well, and the new vigor and energy is felt in every organ of the human body. Dr. Chase's Nerve Food is doing wonders for men, women and children whose systems have become weak and run down. It costs a box, 8 boxes for \$2.25. TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a small bottle of Dandruff-Right-now—Also stops itching scalp.

Thin, brittle, colorless and falling hair is sure evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It rots the hair at its roots, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and disengage, the hair falls out fast. A little Dandruff-Right-now—any time—will surely save your hair.

Get a small bottle of Knowlton's Dandruff-Right-now from any drug store. You surely can have beautiful hair and lose it if you will just try a little Dandruff-Right-now. Save your hair! Try it!
