WHAT IS GOING ON TO-DAY IN THE WORLD OF SPORT.

Six Favorites Beaten at H. J. C. Track---Old Edgely Landed at Last. A good sized killing was made at the Hamilton Jockey Club track yesterday with Delory's Bilberry in the jumping

with Delory's Bilberry in the jumping race. Two or three thousand dollars was bet on her in pool rooms across the border, and he was backed from 7 to 1 to 3 to 1 in the ring. A lot of money was taken out of the ring by a few bettors who knew how good the big gelding was. Bilberry won by 15 lengths, and cut twelve seconds off the track record for

the course. The event was a stake, the the course. The event was a stake, the Barton Steeplechase, \$1,000 guaranteed, and it was an exciting contest over the sticks. The conditions put 100 pounds on Picktime, and he was withdrawn, while Mrs. Webb's stable took out John Dillon and depended on Moongold, what again ran in blinkers. He was the pace maker, and the pace was fast. Nat Ray tried to rate Spencer Reiff, but there maker, and the pace was fast. Nat Ray tried to rate Spencer Reiff, but there maker, and bilberry, even if sent at the them. When Spencer Reiff finally made his run Moongold stopped him, and he had already been in trouble by making a bad job of clearing the Liver pool the last time. Moongoid was lead ing when they wert into the east field for the last time, but Tommy Rae and Bilberry were still to be reekoned with They came along at a tremendous rate of speed, and had Moongold tried to take it running and went down, throw ing Archibald heavily. Good old Bilberry then came home alone, while Gault Barton Steeplechase, \$1,000 guaranteed,

BOOKING AGAIN AT LATONIA.

BOOKING AGAIN AT LATONIA. New York, June 16.—Joseph Phinock, president of the Latonia Jockey Club, yesterday announced at Gravesend the following telegram to John Hachmeis-ter: "Inasmuch as the Latonia Jockey Club has been losing money. announce, beginning Saturday, June 20, booking will be reinstated at Latonia, the east-ern system of betting will be used and that the mutuel machines for straight place and show will be retained for the public desiring mutuel system. Cut price of admission to \$1 at gute." THE WAYS OF FADDISTS. THE WAYS OF FADDISTS.

We b was a hot favorite at 8 to 5, but on account of the big play on the Tur-ner entry and Patriot, its price went up to 2's. The May stable following pro-fited nicely on Patriot when Fairbrother scored his first win as a journeyman jockey. Off in front he rolled home alone, and though Dorothy Webb, the favorite, was only second. Nicol had to drive her to beat J. W. Kent for the place. London Opinion: Prince Albert, who was a person of severe views, strongly objected to the turf, notwithstanding his yearly visits to Ascot, which were in the nature of court functions. He had a fear that his son might grow up to be fond

of horse racing. The fear was well founded. The son has grown up to be fond of horse racing, but I have very little expectation that his colt will win for him his third Derby next week. Of course, there are many evils connected with horse racing, as there are evils connected with many other things. But, really, when one reads the violent lang-nage indulged in by some newspapers he is tempted to marvel if this England of ours would be worth living in if cer-tain people had their way.

WINDSOR OPENS NEXT WEEK.

WINDOW OPENS NEAT WEEK. (1) Windsor, June 16.—The Windsor race meeting, originally scheduled for Sep-tember, will be held earlier in the sea-son, on account of the elimination of Kenilworth Park from the circuit for this year, and there will be no fall meet-ing here. It is announced to day that h the opening will take place on Saturday, June 27, a week after the close at Ham-ilton. The feature of the opening day will be the Frontier Handicap of \$2,000, for three-year-olds and up, at a mile f

Niagara Falls, June 17 .- (Special.)-Again yesterday the Tigers were doused in the kalsomine tub by the home club. Gleason, who has always had the tag pinned to the Yankees, was pounded all over the lot, the hits numbering 13. Bates, the Yanks' star flinger, kept the Students' small allotment well scattered. The best the visitors could do was to get to second. In the eighth Curtis hit, stole cond, and was in a fair way to make third when Wagner fielded Longs drive

long the third base line, touching Curtis off the difficult station.

The Hamilton cite was crippled in yesterday's game. The sudden departure of McMillen, Connors and Finnemore for Bangor, in the Maine State League, has apparently cast a gloom over the Tigers.
