Callahan claims it blew so hard that night it blew most of the color out of his hair. Horses and cattle huddled into friendly pocket sa little out of the worst of it, froze mutely in pitiless fence corners on the divides. Sand drove gritting down from the Cheyenne hills like a storm of snow. The streets of the raw prairie towns stared deserted at the sky. Even the cow-boys kept their ranches, and through the gloom of noon the sun cast a coward shadow. It was a wretched day, and the sun went down with the wind turning into a gale, and all the boys in bad humorexcept Bucks. Mrs. Earl Farr, Ogema, Sask., writes:
"Three years ago my heart and nerves began to bother me. I could not do my housework without being almost completely played out. After sweeping a small room I would have to sit down and rest, and would feel as if I could not get rest, and would feel as if I could not get enough air.

Every few nights I would have horrid dreams, such as the well caving in while I was pumping a pail of water, or the children, or my husband falling in, and I could get no rest, as I would be awake some time after. I went to my doctor, and he told me it was my nerves, that they had been shaken by a previous illness. He gave me some medicine, but as soon as it was gone I was as bad as ever again. I got half a dozen boxes of Milburn's Heart and Nerve Pills, and they helped me so much I got more, and can truly say I have no lack of health Price 50c. a box at all dea
