WESTERN LAND DEAL. The report next takes up the infor mation of the Great West Land com-pany by Messts. Rufus H. Pope, George W. Fowler, W. H. Bennett and A. A. efurgey, M. P.'s. It explains the pur indicate from the C. P. R. at \$3.50 Union Trust company. The account i of a minute and technical character. ANOTHER "RETAINER."

It says that Messrs. Pore and Fowler 200,000 as being continguous to the anticipated and projected line or railway, but none of the persons with whom but none of the persons with which but none of the persons with which they were negotiating seemed to have been made awars that either of these will open a distributing warehouse at Medicine Hat.

Medicine Hat. COMPANY PROVIDED THE CAPIT-AL; BUT DID NOT GET THE PROFITS.

The report explains upon the subsequent transfer to the New Ontario syndicate, which eventually became the Great West Land company, the profits which were received by Messrs. Foster, McGillivray and Wilson, although all this time the Union Trust company was finding the encrmous sums of money connection with these land transacons. Up to the first of January, 1904, On May 20th, 1905, the board of the land company up to \$900,000. taking as security 6, per cent, bond of the land company based upon a first mortgage upon all its property. In that year Mr. Stevenson, becoming alarmed on the enormous sums of money beested in lands in the Northwest, agitated in the boards for an alternation seemed to have advocated turning all the advance made to the land cominto an interest-bearing mort-This involved the abandonment

the capital stack alloted in respect of these advances. PROFITS KEPT SECRET. ical equality between Messrs. Foster, McGillivray and Wilson. None of the three gentlemen concerned seemed to part in the discussion at the board of the Union Trust company of a question open. lose sight of the further circumstance that in the inception of the transaction, whatever the intention of these gentlenen may have been, their co-directors, Stavenson, John Boyd and Colonel Davidson, were left under the impres-sion that they were putting up their funds and were not made aware of the fact, as to which the minutes entirely silent from beginning to end, that they were making a personal profit. The lack of proper vigilance on part of other members of the board, though explainable by their confidence in their co-directors ought not to escape
