IT'S A TENDER POINT with us to hear our meats criticised. We avoid it by handling only the very choicest grades.

TAKE OUR STEAKS, for instance. They are from fresh young steers, raised especially for beef. There's no finer meat produced in this country or any other. Try one and see how much your appetite improves. It will beat all the tonics you ever took.

BEFORE THE FIRE you may not think much about the necessity of insurance, but

AFTER A FIRE has destroyed your home and its contents you will realize what it would mean if you could have the money handed to you to rebuild and reimburse you for the loss.

That's what we do for you when you are insured in our reliable companies.

Take out a policy with us to-day.

PERCIE JOHNSON, Insurance Agent. MINARD'S LINIMENT CURES GARTS IN COWS.
