### Grand Opportunity

For Farmers and  
Horse Owners.

Owing to the wastages of war,  
scarcity in the horse supply is in pros-  
pect for years to come.

The farmer was never presented  
with a better chance for turning his  
mares to good account, alike to him-  
self and to the country.

There is little outlay until the foal  
is weaned. The mare can continue to  
do her allotted share on the land, and  
for many years the demand for an  
animal serviceable either for draught  
or carriage purposes will be greater  
than ever.

For the embodiment of quality and  
substance the horse breeder is refer-  
red to the Imported English Coach-  
ing Stallion

That he will beget speed, grand  
road qualities and great strength there  
is no doubt, as he not only inherits  
but possesses these qualities in a  
marked degree. may13,12t,2u,s
