YOU CAN HIT UP

a better average as regards health by wearing good

Wool Underwear

in the cold weather. You cannot do better than striking out for

Stanfield's UNSHRINKABLE WARM WOOL UNDERWEAR.

And you can get it best by hitting up BLAIR'S. If your present Underwear is only worn a bit thin, don't take chances but replace it immediately, as our prices are low now, and later it will cost you more.

If you leave it till next winter, outside of possible doctor's bills, it will cost more than half as much again.

You may think it funny for us to be saying this, but we are figuring on buying next winter's Underwear now. It is only by very advanced buying these times we can give you good prices. Of Underwear selling now, some we had in stock or bought over a year ago.

WE ARE LOOKING AFTER YOUR INTERESTS AND OUR PRICES ARE LOW.

Parcels for Nfld. Forces Overseas.

- (1) Parcels must not exceed 11 lbs. in weight.
- (2) Parcels addressed to members of the Newfoundland Forces Overseas should bear the name and address of a second addressee to whom the parcels may be delivered or forwarded if it should prove impossible to deliver the first. The original address should be written on the FRONT of the parcel where the postage stamps and Customs declaration are affixed, and the second or alternative address should be written on the BACK of the parcel.
- (3) If a second address is not furnished at the time of posting, and delivery cannot be effected, the contents of the parcel, unless of exceptional value or of a personal nature, will be turned over to the Military Authorities for distribution.
- (4) Parcels containing articles of a personal nature or of special value will be returned, if a request for their return in case of non-delivery is made by the sender, such request to be written on the cover of the parcel at the time of posting.
- (5) This plan is being adopted at the suggestion of the British Post Office, which states that the present procedure of holding undeliverable parcels at the Dead Letter Office until instructions are received as to their disposal is resulting in the waste of a large quantity of perishable foodstuffs, which form the contents of 90 per cent. of parcels addressed to soldiers.
