**Knock Down**  
**Motor Engines.**

A new idea in Motors.  
 We have secured the agency for  
 the celebrated "Knock Down Motor  
 Engines." Each part of these engines  
 is made so perfect that it is not  
 necessary to assemble and test the  
 engine before shipment. You save the  
 cost of all that work by doing the  
 work yourself.  
 All parts of the engine are care-  
 fully packed and shipped just as they  
 come from the automatic machines at  
 the factory—not even painted—full  
 directions for assembling, including  
 a picture with number and name of  
 each part, are sent you. The Com-  
 pany guarantees that every part will  
 fit perfectly, and that any man who  
 can read English and use a wrench  
 can set them up.  
 These engines are guaranteed ex-  
 actly the same as common engines  
 that have been fitted and tested at  
 the factory and sold at double the  
 price. Why not save a month's wages  
 by setting up your own engine.  
 These engines are 2 cycle. Price  
 guaranteed to May 15. Terms: half  
 cash with order, balance on arrival.  
 On rush orders, can wire order and  
 have engine sent by express. Pur-  
 chaser to pay difference in charges.
