

Grand Bank Notes

April has been one of the most successful months at Grand Bank, both in business and social life. Still the business has not been so successful as in the past few months, but the social enjoyment...

Each night a play entitled "The School 'Marin'" was given at the Grand Bank. The performers did their parts well, particularly the rough though the hospitality of the committee, contrasted with the character of the little school...

Institute has also been a means of enjoyment and social life. The amount of time is assured.

Industry is in full swing and the early spring months have passed up the hills and for the most part...

Reuben, who was born in his 21st year, died in his 21st year. He was a well known man in the community and his death is a great loss to the community.

—COR.  
April 27th, 1925.

severe, different colors may be used as a life saver.

few suspected that the day has dawned upon us. Civilization, however, has become a process of evolution and it may be measured by the way in which it is being replaced as it is by other ways. We read...

biologically a creature of habit and it is to be expected that it has robbed him of some of his vitality. Some of the more serious ailments, poorer health and shorter life, much research is still needed before the complete relation between the body and the mind is understood.
