

A German writer complaining of the difficulties in the pronunciation of the English language, cites the word *Bos*, which he says is pronounced *Dicken*.

A Clergyman writing to a friend, says, "My voyage to Europe is indefinitely postponed. I have discovered the 'fountain of health' on this side of the Atlantic. Three bottles of Peruvian Syrup have rescued me from the fangs of the fiend, Dyspepsia. Dyspeptics should drink from this fountain.

Anemia, or depravity of blood, is a disease known by the extreme paleness or waxy appearance of the skin, lips and nails. Persons so afflicted always have dyspepsia, and are liable to hysteria, consumption, disease of the heart, convulsions, etc., consequent upon the withdrawal of material from the blood for which As Fellows' Compound Syrup of Hypophosphites will supply the healthy constituents to the blood and endow it with vitality, patients need not suffer from these diseases.

**GUELPH MARKETS.**  
Guelph, Oct. 31, 1872  
The supply of grain has continued light throughout the past week, and prices of wheat have declined considerably, \$1.13 being the highest price for good spring wheat. Potatoes are in good supply, and to-day we noticed a load of good turnips on the market, for which 15 cts. per bushel were asked, and a load of carrots for which the seller wanted 25 cts. per bushel. Hogs are coming in slowly and realize our quotations. Farmers are experiencing splendid weather just now for housing root crops, of which they will doubtless take full advantage.

**THE REASON WHY**  
Dr. Wheeler's Compound Elixir of Phosphates and Calaisaya is called a Chemical Food and Nutritive Tonic, because Phosphorus constitutes more than half the material of the human body, and are absolutely essential to the growth of Bone, Muscle and Nerve, which cannot attain full development without them. They promote a good appetite, perfect digestion, create pure, healthy, vitalizing blood, and supply the waste constantly going on in the system as a result of mental and physical exertion. Being combined with Calaisaya, the Peruvian Bark, the only specific for Chills and Fever, an Chast specific for Nervous Prostration and General Debility arising from low vitality and exhaustive diseases, it forms an elegant and agreeable, invigorating Tonic, purely physiological in its action, that may be taken safely under all circumstances, and in all diseased conditions of the body, as it builds up the constitution in the same manner as our daily food.  
Sold by all Druggists at \$1.

**Iron in the Blood**

**PERUVIAN SYRUP**

**MAKES THE WEAK STRONG.**

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damaged and wasted, searching out morbid accretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhoea, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP blown in the glass. Pamphlets Free.
