

## GENERAL DEBILITY FOLLOWING INFLUENZA

Strength Can Only be Regained by Enriching the Blood

Following a wide spread epidemic of influenza, general debility is on the increase, and its effects may be noticed in the worn listless appearance of so many of the men and women you meet. Influenza always leaves behind it impaired vitality, and with the modern conditions of life that use up nerve force so rapidly, general debility becomes one of the most common maladies. The symptoms of debility vary, but weakness is always present. There is poor digestion, languor, weak, aching back, wakefulness at night, often distressing headaches and a feeling of fatigue. These symptoms indicate impure and impoverished blood. It is significant of nearly every attack of influenza that it is followed by anaemia and debility.

For all such run-down conditions, new blood is the most reliable cure, sufferers should at once begin to make thin blood rich and red with Dr. Williams' Pink Pills. Under a fair treatment with this medicine they will realize more and more the health-restoring influence of good rich blood, and how this new blood brings a feeling of new strength and increased vitality. Proof is given in the case of Mrs. G. Robertson, Wingham, Ontario, who says:—"When the Spanish Influenza spread over our town I happened to be one of the first attacked, and the attack was a very severe one, and worse still, the after effects of the trouble left me in continuous misery. I had severe pains in my side, felt low-spirited, and with no ambition whatever. My head ached almost continually, my eyes felt heavy, and pimples broke out on my face. I was advised to try Dr. Williams' Pink Pills, and after taking them for a time I felt like my old self able to do my housework, and feeling well and strong. I can strongly recommend Dr. Williams' Pink Pills for the serious after-effects of influenza as I am sure they will restore all sufferers to good health."

You can get these pills through any dealer in medicine or by mail, post paid, at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

**THE KING LOVES DOGS**

King George is very fond of dogs, and his favorite is a lively little fox-terrier named Gyp. He is a great favorite at Buckingham Palace, and in many of his ways he is very like King Edward's faithful Caesar, who followed his master on his last sad journey through London. There is a great affection between his Majesty and his little four-footed friend.

The two are, in fact, almost inseparable companions, and Gyp has his corners of the King's private apartments.

## RHEUMATIC FEVER

RHEUMATISM IN ITS MOST SEVERE FORM COMPLETELY OVERCOME

"From a water-mattress to a trip down town in two weeks is pretty good, don't you think?" said Mr. R. A. Watkins of 156 Aseot Ave., Toronto, the other day.

"Last April I contracted Rheumatic Fever. No medicine seemed to help me. From an invalid's chair to bed, from bed to a water-mattress in a few short weeks I went. I don't want to think how I suffered. My wife read your advt. in the paper one day, and we decided to try T.R.C.'s. Well, in two weeks I made that trip down town. It seems like a miracle. Now I'm back at my job again in the best of health, but we still use T.R.C.'s. Mrs. Watkins says for a headache there's nothing like them. Two T.R.C.'s seem to stop any headache that ever happens in our family."

T.R.C.'s are for Rheumatism. They are also for headaches. A headache is easy for T.R.C.'s. Try them. Ask your druggist. T.R.C.'s mailed anywhere for \$1.04. (Templetons Ltd., 142 King W., Toronto). Sole Agents for Aylmer, E. A. Coughell, Talbot street, Aylmer.
