Santa Claus Will Visit Streets of Wonderland

Children's Afternoon on December 3 Will Open Gigantic Bazaar in Winter Gardens—Fashion Parade a Feature.

Everything is being put in readiness for the great Streets of Wonderland Bazaar to be held in the Winter Gardens on December 3 and 4, under the auspices of the Children's Hospital committee, in aid of further equipment for the new hospital. Practically every women's organization in the city has consented to take a booth on this occasion, with the result that the bazaar will undoubtedly be one of the biggest affairs of its kind ever held in London.

In order to get the different committees working in unison, a meeting of the sub-committees and conveners of booths is being called for 2:30 o'clock on Wednesday afternoon next in the Winter Gardens. The first afternoon of the bazaar, Monday, December 3, has been set aside as children's afternoon, and one of the big features will be a visit from Santa Claus. The committee has also arranged to hold a story hour during the afternoon, greatly to the delight of the children. The program, given on the large central platform, will include attractive children's dances and drills, put on under the direction of Miss Edith Wynne-Price, of the Y.W.C.A. physical department.

In the evening the program during the first hour will include a very fine fashion show, in which the merchants of the city will co-operate. This will be followed by dancing in a space roped off in the center of the Winter Gardens.
