## ALVINSTON BALL TEAM CHAMPIONS

Sudden Death Brings an End to Season's Struggle.

The prolonged battle for supremacy, which has been waged all season between the Alvinston and Forest baseball teams, was brought to a sudden close on Monday afternoon, when Alvinston plucked the laurels from their opponents by the overwhelming score of 12-2. Each team having won three games alternately this season, the final contest was looked forward to with considerable interest and an exceptionally large crowd, comprised of local fans and representatives from the entire district, congregated at the park. It was a complete walk-away for Alvinston, they handling the game in their own hands after the second inning. The neutral spectators were sadly disappointed in the game, there being practically no exhibition of real playing.

## PALE, FEEBLE GIRLS

Weakness Generally Comes on as Womanhood Approaches

Girls upon the threshold of womanhood often drift into a decline in spite of all care and attention. How often one sees girls who have been strong and lively become suddenly weak, depressed, irritable and listless. It is the dawn of womanhood, a crisis in the life of every girl, and prompt measures should be taken to keep the blood pure and rich with the red tint of health. If the blood is not healthy at this critical stage the body is weakened and grave disorders follow. Dr. Williams' Pink Pills have saved thousands of young girls from what might have been life-long invalidism or an early death. They are a blood-builder of unequalled richness, strengthening weak nerves and producing a liberal supply of red, healthy blood which every girl needs to sustain her strength. Dr. Williams' Pink Pills have proved their great value over and over again to young women whose health was failing. Miss Minnie Duffield, Erasmus, Ont., says:—"It gives me great pleasure to tell you what Dr. Williams' Pink Pills have done for me. When I was approaching the age of womanhood I suffered greatly from bloodlessness, or anaemia. My work was a drag to me, I had no appetite and never felt rested in the mornings. I could scarcely walk for five minutes at a time without taking a rest. I was troubled with severe headaches, and things looked gloomy indeed. I doctored for a long time and got but little, if any benefit. I was advised to try Dr. Williams' Pink Pills, and did so and after taking them for a time felt better. I continued taking the Pills until I had used six boxes, when I felt like a new person, and was again enjoying splendid health. I would strongly advise any girl who is weak or run down to try Dr. Williams' Pink Pills."

You can get these pills from any dealer in medicines or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
