

A Sequel to "Looking Backward."

"EQUALITY"

BY EDWARD BELLAMY.

12mo. PAPER, 75 CENTS; CLOTH, \$1.25.

AFTER years of preparation, Mr. Bellamy now puts forward a work which will command universal attention. The new book is larger and more comprehensive than "Looking Backward." The scene is the same—that is to say, the world of the twentieth century—and the same characters reappear.

"The book should have an enormous sale in Canada." *The Canadian Magazine.*

"The story form is preserved and the interest is never allowed to flag."—*The Westminster.*

"It is a remarkable book."—*Toronto Mail and Empire.*

"The book is even more delightful reading than 'Looking Backward.'"—*Montreal Herald.*

"Mr. Bellamy's present work has the merit of great clearness of argument, and deserves to be carefully read."—*Canadian Churchman.*

"'Equality' is a sequel to his former book and destined, if indications are to be trusted, to an even greater popularity."—*Toronto Globe.*

"Hall Caine's Greatest Story."

THE CHRISTIAN

A STORY—BY HALL CAINE

Author of "The Manxman," "The Deemster," "The Bondman," etc.

12mo., PAPER, 75 CENTS; CLOTH, \$1.50

THIS is a drama of frail human nature aspiring to perfection, and struggling to attain the highest ideal. The story opens in the Isle of Man, but the action takes place for the most part in London, and the author's strenuous preparation for this book is suggested by the succession of moving and dramatic scenes from a strange and unknown life in the world's metropolis.

"His greatest work; 'The Christian' is really a great novel. It is evidently the result of some of the problems of modern society, which it is the business of the Church to solve, which it has been long attempting to solve; but the solution of which, unfortunately, seems to be as far off as ever."—*Toronto Mail and Empire.*

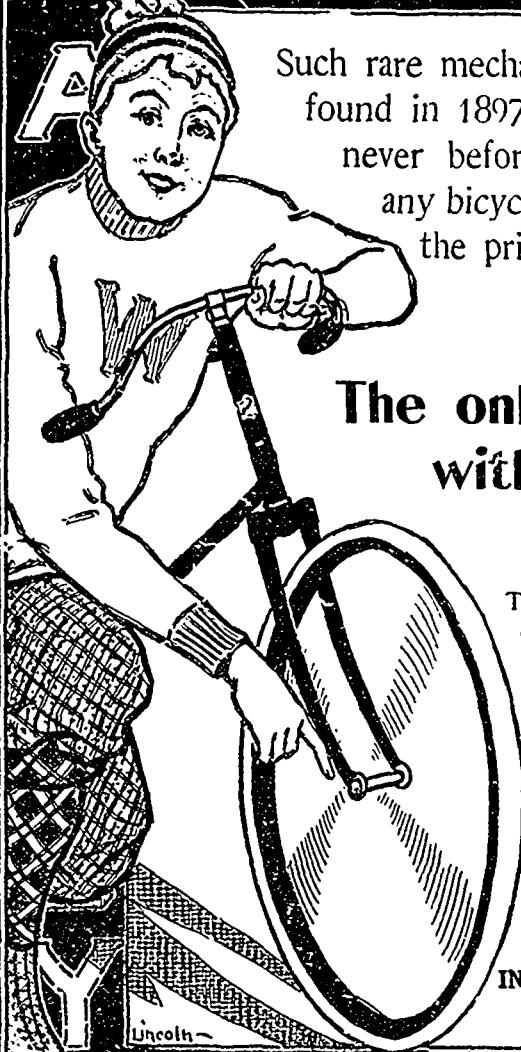

"In 'The Christian' Mr. Hall Caine depicts the types of mind and character, of creed and culture, of social effort and religious purpose which he sees in the life of England and America at the close of the nineteenth century."—*Toronto Globe.*
