One may send only one new subscription and receive a copy of the "Life of Christ for the Young." Three new subscriptions will secure to any present subscriber a copy of the Ideal Cook Book. You can put yourself in possession of a valuable Watch. The particulars in each case are given below, and opens an easy way to secure Christmas presents for your friends without any outlay of money.

DOLLAR BOOK FREE

"The Life of Christ for the Young," by Geo. L. Weed, is a book of about 400 pages, with 75 full-page half-tone illustrations that add very much to its attractiveness. We think ourselves it is one of the most complete Looks of the kind that has been published in many years. The author is peculiarly well fitted to write such a book, possessing a grace of style that makes it interesting to all children. He writes from knowledge of the Holy Land, having personally visited there and gathered data and observed for himself. The illustrations are so numerous that they bring out the most important features of the text in a manner not often done in books of this character.

It is bound in handsome cloth, with embossed front cover. Publishers' price \$1.00

—This book will be mailed post-paid to any present subscriber sending one new yearly subscription.

Present subscribers to FARMING (not in arrears) may receive a copy post-paid on receipt of 50c., half publisher's price.

ANOTHER WATCH FREE

Nickel finished case, open face, stem wind and set. We do not say this is a full nickel watch, but it will hold its color for a year or more, whilst we can thoroughly recommend it as an accurate time-keeper.
