We tender our thanks to all those who so kindly and liberally contributed hams, cakes and all the etceteras, and also to Messrs. Forhan & Russell, for truckage and other assistance.

Donations towards the library fund will be thankfully received by any of the officers or teachers of the Sunday School, and acknowledged in the next number of the Magazine.

We had intended to publish the list of subscriptions received towards the support of the church this month, but it is crowded out by the pic-nic account. We will publish it next month.
