### TESTIMONIALS.

New Star Laundry,  
131 Bay St., Toronto.

SIR,—I have used your Marking Ink for the past two years, having found it decidedly the best, after a trial of numerous other makers. One penfull is equal to three of other kinds, on account of its free flowing quality. H. BELYEA.

The Adams' Laundry,  
Cor. Church & Queen Sts.

SIR,—Having used your Indelible Ink for several years, I have pleasure in testifying to its superior merits. After testing the leading English Marking Inks and several others, I have no hesitation in giving yours the preference.

Yours, etc.,

## The Ebony Blacking,

A brilliant, durable, elastic waterproof dressing for Boots and Shoes—simply applied with the sponge attached to the cork of the bottle; it requires no further polishing. It does not soil the clothing or carpets in wet and snowy weather. It keeps the feet dry, and while all the common blacking contains vitriol and most of the liquid dressings contain caustic soda or other chemicals which rot the leather.

## THE EBONY BLACKING

contains nothing which will injure; on the contrary, it preserves the leather. For harness and all leather requiring a durable weather proof polish, it is unequalled by anything in the market.

One application a week of this blacking (sponging the dust, &c. off when necessary) is all that is required to keep the boots, &c., in perfect order—at the trifling cost of about one cent per week.

For sale by leading Druggists, Saddlers and Shoe Dealers. 25 cents per bottle; four bottles sent free to any station in Ontario, on receipt of One Dollar.
