Household Hints.

NICK PUDDING.—Four eggs beaten separately, one teaspoonful of flour, one teaspoonful of cream of tartar mixed with the flour when it is sifted, half a teaspoonful of soda dissolved in a little water; bake quickly in a biscuit pan; turn out on a damp cloth; put a layer of sauce over the whole surface and roll up warm.

ASPIC JELLY.—A jelly may be made of the bones of the turkey and chicken used in boned turkey by covering them with water and boiling them slowly till the liquor is reduced to a gelatinous mass. This will require some time, and the jelly must be covered with caramel to give the beautiful amber-coloured aspic used by French cooks. It is easier to make a jelly with brown beef stock and gelatine.

How to Gain Flesh and Strength.

Use after each meal Scott's Emulsion; it is as palatable as milk. Delicate people improve rapidly upon its use. For Consumption, Throat Affections and Bronchitis it is unequalled. Dr. Thos. Prim, Ala., says: "I used Scott's Emulsion on a child eight months old; he gained four pounds in a month." Put up in 50c. and \$1. size.

INDIAN MEAL GRUEL.—Wet two table-spoonsful of the meal to a smooth paste with cold water, and stir it into one pint of boiling water. Let this boil half an hour and stir occasionally, as it burns readily. It becomes too thick, add water. Seasoned with salt, sugar, lemon juice and grated nutmeg it becomes quite delicious. It is still further improved by the addition of a tiny piece of butter, if this be not forbidden.

CREAMED CODFISH.—To make cream of cod remove the skin and bones from the boiled fish and rub through a fine sieve. Rub together two table-spoonsful each of butter and flour over the fire, stirring until smooth and free from lumps. Add gradually one quart each of milk and water, both boiling. Put in one cupful of the prepared fish, seasoning with grated nutmeg, white pepper and salt, and boil for two minutes.

POTATO GEMS.—A good way to make potato gems is to work one cup of cold mashed potato smooth into one cupful of sweet milk. Stir in one cupful of corn meal, or enough to make a batter which will drop easily from a spoon, with a pinch of salt, and add one well-beaten egg. Beat briskly three or four minutes, then put into well-buttered gem pans and bake twenty minutes to half an hour with a steady but not too hot fire.

MUFFINS.—Two cups of fine, dry crumbs, two heaping table-spoons of flour, two cup of boiling milk, two beaten eggs, one cup of boiling water, half a teaspoonful of salt, one tablespoon of butter; pour the boiling, salt water, on the crumbs, let them stand covered for half an hour, drain off the liquid without pressing the crumbs, and beat in the flour, add the butter to the hot milk and then in next, beat until nearly lukewarm, and then put in the eggs. Bake in muffin rings.

SYRUP OF CHERRIES.—Procure some fine ripe cherries, take off the stalks; crush the fruit and leave them in this state for twenty-four hours. Then strain the juice through a sieve by squeezing the cherries, and afterwards through a jelly bag. When the liquor is very clear weigh it, and in a pint of juice dissolve two pounds of white sugar; then put it into a preserving pan; boil up once, and take off the scum; strain it and put it into small bottles.

OYSTER SALAD.—Take a gallon of fresh oysters, the yolks of six hard-boiled eggs, one raw egg well-beaten, two spoonfuls of salad oil or melted butter, two spoonfuls of mustard, with one teaspoonful of good vinegar and a little pepper and salt; mix with four bunches of celery chopped fine. Drain the liquor from the oysters and put them in some hot vinegar over the fire; let simmer five minutes; cool. Work the yolks of the eggs, and mix all the seasoning together and pour over the oysters and celery.

FRUIT CHARTRUSE OF ORANGE JELLY.—Make a chartruse of fruit in a round or oval mould, having a quantity of fruit left, having also a quart of orange jelly, which place on ice in a bowl, whisking it until on the point of setting. Then place a layer of it in the chartruse, then a layer of the fruit, the jelly, and so on until quite filled; place upon ice, and when set and ready to serve, dip in luke warm water, turn it out upon your dish, serve garnished round with jelly in the skins of the oranges, cut into quarters after it has been set, or leave out the garnishing.

ALL AGES AND CONDITIONS of people may use National Bile without injury and with great benefit.

WHAT WAILS YOU?

Do you feel dull, languid, low-spirited, lifeless and indifferently insensible, both physically and mentally; experience a sense of fullness or bloating after eating, or of "grogginess" or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating" spots before the eyes, nervous prostration, or exhaustion, irritability of temper, hot flashes, alternating with chilly sensations, sharp biting, transient pains here and there, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, Dr. Pierce's Golden Medical Discovery will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their disease. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

Dr. Pierce's Golden Medical Discovery

CURES ALL HUMORS,

from a common Blotch, or Eruption, in the worst Scrofula. Salt-rheum, "Fever-sores," Scaly or Rough Skin, in short, all diseases caused by bad blood are conquered by this powerful, purifying, and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Gout, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Disease, or the same amount for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE."

Thoroughly cleanse it by using Dr. Pierce's Golden Medical Discovery, and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.

CONSUMPTION,

which is Scrofula of the Lungs, is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvelous power over this terribly fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "CONSUMPTION CURE," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for Consumption, but for all Chronic Diseases of the

Liver, Blood, and Lungs.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy.

Sold by Druggists, at \$1.00, or Six Bottles for \$5.00.

Send ten cents in stamps for Dr. Pierce's book on Consumption. Address,
