## For Liver Disorders

And for all affections of the Stomach and Bowels, prompt relief and cure are afforced by the use of Ayer's Cathartic Pins They easily correct slight derangements of these organs, and are of incalculable benent in chronic cases.

I have been using Ayer's Pills, in my family, for over three years, and find in them an effective remedy for Constipation and Indigestion. We are never without these Pills in the house.—Moses Grenier, 72 Hall st., Lowell, Mass.

For years I have been subject to Constipation and Nervous Headaches, caused by Indigestion and derangement of the Liver. After taking various kinds of medicine, I have become convinced that Ayer's Pills are the best. They have never failed to relieve my bilious attacks in a short time, and I am sure my system retains its tone longer, after the use of these Pills, than has been the case with any other medicine I have tried.—H. S. Sledge, Weimar, Texas.

Ayer's Cathartic Pills are the safest and best medicine I ever used for Bowel Complaint. I have never known them fail to cure this disorder. They have been peculiarly effective, in my family, in all cases of Liver

And Stomach Troubles.

Aver's Pins are prompt and mild in their action; they gently stimulate the liver, and always lawe the bowels in a natural condition.—Philip Caldwell, Beverly, Mass.

After sixteen hours of intense suffering with Bilious Colic, I took Ayer's Cathartic Pills. In half an hour the pain in my stomach and bowels subsided, and I quickly recovered.—R. S. Heathfield, 63 Chestnut st., Providence, R. I.

For nearly five years I was a confirmed dyspeptic. During the last three months of this time, my life was a burden to me. I had no appetite, became pale and emaciated, and was unable to work. I tried various remedies, but found no relied until I began taking Ayer's Pills. A few boxes of this medicine greatly improved my appetite, restored my liver and stomach to a healthy condition, and my food now digests perfectly. — Ernest Lewis, 43 Main st., Lewiston, N. Y.

Aver's Pills have cured a case of Chronic Dyspepsia. here, which resisted other remedies, and had become a very serious affliction. The cure is remarkable, and has created a sensation in this locality.—S. K. Jones, M. D., Brighton, Mich.

For a number of years I was greatly troubled with Dyspepsia. I became weak, nervous, had no appetite, and there were but few kinds of food my stomach would bear. After taking a number of remedies, without obtaining relief, I began to use Ayer's Cathartic Pills, and, at the same time, commenced dieting. This treatment effected a complete cure. — Jeremiah W. Styles, Fort Madison, Iowa.
