CONJUGAL love is not preserved in family jars.

GENTLEMEN,—My little girl, aged three, had a large swelling on her neck. I used Hagar's Yellow Oil on it and it disappeared in a short time. It also cured a felon I was troubled with.—MRS. C. E. WENDOVER, Manda, Man.

A TRAMP recently entered a bank and addressing the urbane cashier, asked for five dollars. "Five dollars!" exclaimed the cashier; "isn't that rather steep? I should think a quarter would be about your size, wouldn't it?" "Well," said the tramp, "if you think you understand this begging business better than I do, perhaps we had best change places."

No one now doubts that Burdock Blood Bitters will cure dyspepsia, biliousness, constipation, headache or bad blood. The proof is so thorough and overwhelming that the doubters have been silenced and B. B. B. is secured in its place as the best purifying tonic and regulator extant.—BYRON HOLT, Princeton, Ont.

A SURGEON, in giving his evidence, informed the court that, in examining the prosecutor he found him suffering from a severe contusion of the integuments under the left orbit, with a great extravasation of blood and ecchymosis in the cellular tissue, which was in a tumefied state. There was also considerable abrasion of the cuticle. The Judge: You mean, I suppose, that the man had a black eye? Witness: Yes. The Judge: Then why not say so at once?

THE curative influence of the pine in lung diseases is everywhere admitted, and when combined with other effective pectoral remedies as in Dr. Wood's Norway Pine Syrup the effect is doubly beneficial. No case of cough, cold, asthma, bronchitis or hoarseness can resist the healing powers of Dr. Wood's Norway Pine Syrup. 25c. and 50c. at druggists.

"I DON'T feel right about going in there," said Chilson Feever in front of a physician's house. "Pshaw! He's one of the best doctors in the city," replied Coffin Coles. "I know; but look at his sign—9 to 1." "Well?" "Well, I don't take any such chances as that."

CLEANLINESS, care and courage are the resources of civilization against cholera. Keep the body scrupulously clean. Eat hot food. Take Burdock Blood Bitters to maintain regular digestion and ensure pure blood, which is the very best safeguard against cholera or any other epidemic.

BOBBY: How funny! I've been trying to subtract 925 from 837. Mr. Lotos: Can't you do it? Bobby: Almost; it goes all right till you get to the last figure.

GENTLEMEN,—My little boy was troubled with a very bad cough, and a lady friend advised me to try Hagar's Pectoral Balsam. I got it at once and can truly say I did not give more than three or four doses until his cough was gone. I have never been without it since, as I find it the best for troublesome coughs.—MRS. J. S. RUDDY, Glen Williams, Ont.

SIR, the howling of your dog annoys me dreadfully. McGuff: It do, do it? Maybe yez want me to get a trained baste that can play on the flute!

WHEN dyspepsia invades your system and bad blood occupies a stronghold in your body the way out of trouble is to annex a bottle of Burdock Blood Bitters, the best remedy for dyspepsia and bad blood, and the only one that cures to stay-cured.

"THE top as the marnin' to yez, Pat; I hope yez are well this marnin'." "Shure Oi am," said Pat, "an' Oi hopes yez be the same." "Faix, Oi am; but what are yez goin' to do about these politics? How are yez goin' to vote this year?" "Shure, an' Oi don't know. One man talks a lot o' gibberish to me about the McKinley bill, an' thin another talks about the surplus, an' Oi'm bewildered entirely, Oi am. Oi think they ought to put up one good man an' let him take the surplus an' buy up the McKinley bill, an' then, shure, it would be all right every way, an' they wouldn't be after botherin' the poor brains av us voters."

A SICK LIVER

is the cause of most of the depressing painful and unpleasant sensations and sufferings with which we are afflicted and these sufferings will continue so long as the Liver is allowed to remain in this sick or sluggish condition.

To stimulate the Liver and other digestive organs to a normal condition and healthy activity, there is no better medicine than

RADWAY'S PILLS

The most perfect, safe and reliable Cathartic has ever been compounded—PURELY VEGETABLE, positively containing no Mercury or other deleterious substances; having all the beneficial properties that Mercury is possessed of as a cathartic without the danger of any of its evil consequences they have superseded Mercury, and have become the Pill of Modern Science. The letters of gratulations from thousands who have and still them in preference to all other Pills, bear evidence of the good works which they continue doing in increasing health and renewing vitality, without the slightest chance of any harmful results whatever.

They cure all disorders of the Stomach, Liver, Bowels, Kidneys, Bladder, Nervous Diseases, Loss of Appetite, Headache, Constipation, Indigestion, Biliousness, Fever, Inflammation of the Bowels, Piles, and all the derangements of the Intestines.
