SOUVENIR STOVE RANGES

Souvenir Aerated Ovens (aluminum lined) never hide their brightness under an eclipse of grease, dirt or tarnish. They are proof against accumulative foul odors on account of the continuous fresh air draft.

The most dainty and delicate forms in cookery are surpassingly perfect and wholesome in nature as a result of this patented improvement.

Perfect convenience follows this most modern range so skilfully made.

Agents in every town and city are demonstrating the practicality of Souvenir's over all others.
