

Canadian Medical Exchange Office.

Opened and conducted solely for the Convenience and Protection of Physicians desiring to sell their properties or practices; the arrangement of partnerships, etc., etc. All communications and transactions strictly confidential. The only office of the kind in Canada conducted by a Medical Confreere.

Registered Buyers receive private notice of new offers, hence many practices are sold between the issues of the medical journals and never appear therein. **Intending purchasers consult their own interests** by giving this office such information and data of themselves and wants as to enable us to pilot them unto what they desire.

We try to secure reliable openings for physicians **and will offer nothing which will not stand a thorough investigation.** We obtain from prospective buyers their age, qualifications, religious persuasion, financial ability, etc., etc., and a pledge as to secrecy and honorable dealings.

Practices offered independently of this office are generally those which we have rejected as unworthy and undesirable.

We court the patronage of the profession and promise honest effort to secure your wishes, which our accumulated experience in these matters ought to enable us to do.
