

by the city engineer to cost \$51,000. The plans provide for masonry retaining walls, brick pavement under subway, with granolithic walk on either side of street. The bridge for the C. A. R. tracks is to be 60 feet span.

HAMILTON, ONT.—Residents of York street have asked for a permanent pavement. The Kramer-Irwin Co. have offered to construct a pavement on the street, from McNab to Locke street, at \$2.38 per square yard.—The Patterson syndicate is reported to have secured options on a majority of the stock of the Hamilton Street Railway Co. This syndicate, composed chiefly, it is said, of members of the Cataract Power Co., proposes to build and acquire 150 miles of electric railway in and around Hamilton, including lines to Niagara Falls, Guelph and Caledonia.—W. W. LaChance, architect, is preparing plans for a new church for Locke street Presbyterian congregation, to be built of Hamilton stone, cost \$7,000.—Hamilton Cotton Co. will build an addition to factory, cost \$4,000.

MONTREAL, QUE.—Alcide Chausse, architect, desires tenders by 28th inst. for erection of theatre, corner St. Catharine street and Papineau avenue.—Tenders close on May 26th for building the general offices for the Grand Trunk Railway, from plans by Mr. Waite, architect.—The Water Committee is about to invite tenders, up to May 16th, for annual supplies.—This summer the Montreal Street Railway Co. will build car shops at Hochelaga, and likely the proposed extension of the system to Verdun.—The proposed additions to the medical building of McGill University will include two new lecture theatres, several additional rooms for the staff of the faculty, and the renovation of the chemical laboratory.—It is feared that the Finance Committee will not grant the \$36,000 required for repairing the reservoirs.—Owing to the improved demand for modern houses and offices, many of the old buildings in this city will have to be remodelled or entirely rebuilt.—Incorporation is asked for the Mount Royal Club, with capital of \$100,000. The club, which is composed of Hon. L. J. Forget, H. A. Allen, F. W. Thomas and other well known gentlemen, is said to have made arrangements to secure the Abbott property, corner Stanley and Sherbrooke streets.—During the summer \$15,000 will be spent by Dan Ford in remodelling the interior of the Theatre Franchise.

TORONTO, ONT.—J. W. Siddall, architect, has been commissioned to prepare plans for remodelling 14 and 16 King street east for the Canadian General Electric Co., at a cost of \$10,000, also for a new factory for the Macdonald Manufacturing Co., cost \$25,000, and a public hall at Utica for T. W. Horn, cost \$4,000.—Gordon & Helliwell, architects, have prepared plans for brick manse for

Mellville Presbyterian church, Scarboro; tenders received by A. T. Elliott, West Hill, up to May 15th.—Geo. W. Gouinlock, architect, has prepared plans for an apartment house to be built on the west side of University avenue, just south of College street. Excavations are already under way.—Burke & Horwood, architects, have in hand an Old Folks' Home to be built on University avenue.—It is reported that the T. Eaton Co. have purchased the property on Louisa street at present occupied by King Bros.—T. E. Edwards, real estate dealer, has sold a lot on Harvard avenue to an American gentleman, who will build thereon a \$5,000 residence.—The Robert Simpson Co. have purchased the Knox church property. It is the intention of the

trustees to build a new church on an up-town site, probably at the corner of Spadina avenue and Wilcox street. This will be done within the next two years.—E. J. Lennox, architect, invites tenders up to May 2nd for erection of brick store building, corner Queen and Mutual streets.—The Sites and Building Committee of the Public School Board will report as to the building of three rooms to Palmerston avenue school, a twelve roomed school on the present Bathurst street school site, and the purchase of a school site, corner Oak and River streets.—Plans have been prepared for a new Turkish bath and office building to be built on Terauley street, opposite the new city hall, for carrying out which a stock company is being formed; building will
