

## CEMENT-CONCRETE SIDEWALKS TENDERS WANTED

Sealed tenders, addressed to the Reeve of the Village of Lucknow, will be received up to 8 p. m.

**Wednesday, August 15th, 1900,**

for the construction of some 36,500 square feet of cement concrete sidewalks in said village.

Specifications may be seen at the office of James Bryan, Village Engineer, Lucknow, or at the office of the Village Clerk, Lucknow.

A marked cheque for five per cent of the amount of contract, payable to the order of the Village Treasurer, must accompany each tender, the same to be forfeited if the party decline the contract or fail in the performance thereof, and will be returned in case of non-acceptance of tender.

The lowest or any tender not necessarily accepted

W J TAYLOR, HUGH MORRISON,  
Reeve. Village Clerk.

Lucknow, July 18, 1900.

## NOTICE TO IRON BRIDGE BUILDERS

SEALED TENDERS, addressed to the undersigned, and endorsed "Tender for Iron Work of Bridges over the Slide Channels, Ottawa," will be received at this office until **THURSDAY, AUGUST 15th NEXT**, for the reconstruction of the Iron Work of the bridges across the Chaudiere slide channels of the Ottawa river, in the City of Ottawa, which were destroyed by fire in April last, a cording to plans and a specification which can be seen at the office of the Superintending Engineer of the Ottawa River Works, over the post office in the City of Ottawa, and at the Department of Public Works, Ottawa, after Wednesday, August 7 next.

Tenders will not be considered unless made in the manner called for by the specification and signed with the actual signature of the tenderer.

An accepted chartered bank cheque, payable to the order of the Minister of Public Works, and equal to 10 per cent of the bulk amount of the tender, must accompany each tender. The cheque will be forfeited if the party decline to contract or fail to complete the work contracted for. It will be returned in case of non-acceptance of tender.

The Department does not bind itself to accept the lowest or any tender.

By order,  
JOS R ROY,  
Acting Secretary.

Department of Public Works,  
Ottawa, July 30, 1900.

Newspapers inserting this advertisement without authority from the Department will not be paid for it.

## TRENT CANAL SIMCOE-BALSAM LAKE DIVISION

### NOTICE TO CONTRACTORS.

Sealed tenders, addressed to the undersigned, and endorsed "Tender for Trent Canal," will be received at this office until noon **FRIDAY, 24th AUGUST, 1900**, for the construction of about thirteen miles of Canal between Kirkfield and Lake Simcoe, which will be divided into two sections.

Plans, specifications of the work and forms of contract can be seen at the office of the Chief Engineer of the Department of Railways and Canals, at Ottawa, or at the Superintending Engineer's Office, Peterboro, where forms of tender can be obtained on and after Tuesday, 24th July, 1900.

In the case of firms there must be attached the actual signatures of the full name, the nature of the occupation and place of residence of each member of the same, and, further, an accepted bank cheque for the sum of \$15,000 must accompany the tender for each section, these accepted cheques must be endorsed over to the Minister of Railways and Canals, and will be forfeited if the parties tendering decline entering into contract for work at the rates and terms stated in the offer submitted. The accepted cheques thus sent in will be returned to the respective parties whose tenders are not accepted.

The lowest or any tender not necessarily accepted.

By order,  
L. K. JONES,  
Secretary.

Department of Railways and Canals,  
Ottawa, July 16th, 1900.

Newspapers inserting this advertisement without authority from the Department will not be paid for it.
