English Department.

So many come to us poorly prepared to undertake
our work, that we have decided to open a preparatory
department in which special attention will be given to
ordinary English branches, such as Writing, Arith-
metic, Book-keeping, Spelling, Correspondence and
Geography.

This will be just the opportunity needed by those
who do not wish to take the subjects taught in the
higher grades of the public schools, but prefer to
give their time to commercial subjects.

This will be known as the "English Department,"
and will be open May 1st.

For further information, apply at the
St. John Business College.

VITÆ-ORE

A Puzzle to the Scientist!

An Enigma to the Medical Student!

A Boon to the Afflicted!

It has been the desideratum of scientists for ages
where to procure the mineral ore from whence flow
the waters of the world's most noted healing springs,
and in the discovery of this ore the problem has been
solved. In the deep, from whence it comes, it is a
hard, black, and very magnetic mineral; when ex-
posed to the air it slacks, and twenty per cent of it
is then soluble in water, making an elixir, which,
for the cure of so called incurable ills, as Bright's
disease, all kidney and urinary complaints, general
debility, loss of vitality, female complaints, as also
all throat and stomach complaints, as diphtheria,
tonsillitis, gastritis, catarrh, dyspepsia, nothing man
can possibly make equals. Nature cannot be coun-
terfeited in a cure for any membranous diseases.
This Ore's elixir will reach the nidus of your ill, as
only nature's great restoratives will.

Below we give a few of the many letters we re-
ceive every week from grateful people who have
taken V.-O. Remember, Vitæ Ore is now an estab-
lished remedy, and is without doubt a "boon to the
afflicted." Do not wait until you see that your next
door neighbor does not die from its use, but read
our offer before and know for yourself what is in
store for the afflicted.

Elder H. E. Cooke writes:

This is to certify that I have used Vitæ Ore, and consider
it one of the best remedies ever introduced to the public for
the renovation of the blood. And as an appetizer, its equals
are few. I can cheerfully recommend it to any one afflicted.

Bro. WALLACE,—
January 18, 1895.

Inclosed find two dollars, please send me two more pack-
ages of Vitæ Ore. That one package you sent me did me
more good than anything I ever took. I can now eat a meal
without distress, which I have not been able to do before for
twenty years. Mrs. Craig says she feels better already, and
has only been taking it a few days.

JOHN COOK,
St. George, Back Bay N. B.

Sister Bailey testifies:

This is to certify that I have taken Vitæ-Ore and can
cheerfully recommend it to the suffering public. I was a
sufferer for a long time from that dread disease Eczema. I
tried various remedies, but failed to get relief. At last I was
prevailed upon to try V. O., and in three weeks from the
time I took the first dose, I was able to attend to my house-
hold duties and walk most anywhere. The swelling from my
knees to my feet was something unusual, but the swelling
disappeared after a short time, and am thankful to say that
I feel completely cured, and I consider it one of the best
remedies and the greatest blessing of the nineteenth century
in the form of medicine.
