

MONTREAL HOUSE
 This old and favourably-known Hotel, situate in the centre of the city, fronting the river St. Lawrence, lately closed, has been re-opened by MR. GEORGE T. MOREHOUSE, as proprietor—formerly U.S. Consul at St. Johns, and later of Boston—and has been thoroughly repaired and re-furnished, and will be kept as a Family Hotel, where the travelling public will always find a quiet home with good catering, clean and comfortable apartments, with moderate charges.

MR. MOREHOUSE has hosts of friends in Canada and the United States, who will be pleased to learn that he has opened this Hotel, and will make his house their home when visiting Montreal for business or pleasure.

 AN IMPORTANT BOOK FOR AGENTS.
CANADA
 Under the Administration of
LORD DUFFERIN.
 BY
 GEO. STEWART, Jr.,
 Author of "Evening in the Library," "Story of the Great Fire," &c., &c.
 Demy 8vo. \$3.00.

CONDITIONS.—The book will contain upwards of 700 pages printed on rich, fine paper, with clear, new type, besides a well written historical account of Canada during Lord Dufferin's administration, giving a full authentic description of the political, social and moral aspect of the country. There will be given in extenso His Excellency's speeches which are in themselves perfect literary gems; an elegant cabinet size steel portrait of the Earl will embellish the work, executed in the best style of art. The cover will be beautified by a gold embossing of His Excellency's Escutcheon, and other appropriate ornamental designs.

In conjunction with the book there will be published a lithograph portrait of His Lordship 24 x 30 inches, similar in style to those issued in connection with the Atlantic Monthly, of the poets Longfellow, Whittier and Bryant, and will be sold at the extraordinary low figure of 50 cents to subscribers for the book.
 Agents' complete prospectus containing the steel portrait, showing the various styles of binding, letter-press, &c., will be ready shortly.

PIANOS and ORGANS.

The Subscriber has received his usual spring assortment of
Pianos and Organs,
 which he offers, as heretofore, at a small advance upon cost. The results of the numerous sales by auction at private houses during the past six weeks show the advantages to parties disposing of their effects of possessing a
Steinway, Chickering, Gabler, or Emerson
 Piano rather than any other; nearly all the instruments of these makers having brought within a fraction of cost, while those of other makers were sold at a ruinous sacrifice.
 These results prove, also, the incorrectness of assertions persistently made by other dealers, to the effect that the above-mentioned pianos are sold by the undersigned at an enormous profit, it being an indisputable and well known fact that buyers, when competing publicly for the second-hand instruments of these makers, gladly pay nearly as much for them as is asked for new ones. Comment is unnecessary.
 A personal examination of the subscriber's large and varied stock will enable intending purchasers to test the accuracy of all that is claimed for it.
