

THE BEST KIND OF AGENT

A Trust Company can do anything for you that an agent can do. It can manage your estate, collect your rents, pay your taxes, keep up your insurance, and generally assume all the responsibility of management.

It will collect interest on mortgages, coupons on bonds and debentures and dividends on stock, and will pay over all sums so collected, in any manner that may be desired.

Business men about to go abroad or take a vacation, and ladies who feel unequal to the task of looking after real estate or attending to investments, can find no more efficient agent than a reliable, well-managed Trust Company.

For the month of March, the Dominion revenue from customs was \$2,847,380, as compared with \$2,363,248 for March, 1899, an increase of \$484,176, nearly half a million dollars. This is said to be the largest revenue ever collected by the Canadian Government in any one month.

REPRESENTATIVES of the American Trust, which bought out the Empire Tobacco Company, of Lachine, have been in Hamilton. It is stated they tried to buy out the George E. Tuckett & Company's business, but the firm refuses to sell out and will not join the trust.

At a meeting of creditors of J. Waters & Brother, dry goods dealers at Campbellford, Ont., held in Montreal, a few days ago, it was decided to close out the estate, and sell the stock of \$7,440, and other small assets. Liabilities are shown at \$15,153, which means less than 50 cents in the dollar for creditors.
